COMMUNIST TRIAL NEARS COMPLETION

Sergeant Leopold, Former Soviet Secretary, Main Witness for Crown

ACTIVITIES IN CANADA REVEALED IN DETAIL

TORONTO, Nov. 5 (CP).—With the reading of a mass of evidence, compiled over a period of seven years by Sergeant John Leopold of the Royal Canadian Mounted Police, while acting as secretary of the Regina Branch, Communist Party of Canada, and police in a series of spectacular raids last August, the Crown today built up its case against nine alleged Communist leaders who have been on trial since Monday.

Tonight, according to Norman Somerville, K.C., Crown prosecutor, the Crown case was nearly completed. Only a few more hours of testimony remain before the defence is called upon for its rebuttal evidence.

CONCLUDES HIS EVIDENCE
Sergeant Leopold concluded a day and a half on the witness stand shortly before noon today. During that time he had told what he alleged were the innermost workings of the Communist party here and in Moscow.

This afternoon the Crown filed documents after document, pamphlets after pamphlet, to show that the Communist party was a lawless one, and that members who were in trial had acted as parties to a seditious conspiracy. From the works of Marx, Lenin and Engels, they read dozens of extracts. They investigated the philosophy and the teachings of the Communist international, they went through the process of joining the party step by step.

PROLETARIAN REVOLUTION
The booklet issued to the Communist neophyte read, in part: "We greet you in the name of the comrades whom the murderous brutal capitalist police have tortured on the picket line and in workers' demonstrations. We greet you as one who steps into the ranks of revolutionists to finish with us what they died for, the proletarian revolution."

"We greet you in the name of the Russian Bolsheviks, whose example you are pledged to follow." The men who are being tried are Tim Buck, Tom Owen, John Boychuk, Amos T. Hill, Malcolm Le Bruce, Samuel Cohen, Matthew Poyovitch, Mike Golinski and Thomas Cade, and the charges are being acted as members of an international organization to overthrow the government of Canada and to prepare for the Dominion of the future.

FIREMEN HAVE NARROW ESCAPE

While answering a call to a chimney fire at 318 Oswego Street, men on the ladder service truck from the city headquarters, narrowly escaped serious injury yesterday afternoon when the truck skidded on the wet wooden blocks on Bellevue Street, crashed into a hydrant and nearly turned over. One of the men, Wilfred Hulme, jumped from the truck as it began to skid, and slightly strained his leg in doing so. Only slight damage was done to the truck.

U.S. Battleship Gun Bursts, Killing Four And Injuring Others

Four Wounded Not Expected to Live—Accident Happened During Firing Practice Off California Coast—Details to Be Revealed at Investigation

SAN PEDRO, Cal., Nov. 5 (AP).—Explosion of a five-inch anti-aircraft gun on the U.S.S. Colorado caused the death of one officer and three enlisted men, the possibly fatal injury of two officers and two enlisted men, and serious injury to five other men, seamen first class, in firing practice this afternoon off the Pacific Coast forty-five miles northwest of here.

Navy headquarters at Washington had been notified long before the accident became known here, and little official information was available at the harbor. Admiral Richard H. Leigh said no statement would be made regarding the cause of the explosion until after an official inquiry scheduled for tomorrow morning aboard the Colorado. The vessel came into the harbor tonight at 8:15, and the victims of the blast were taken off.

The dead, Lieut. Ralph F. Bradford, Jr., postmark, Ill.; Lewis A. Clark, seaman, second class, Los Angeles, Cal.; Maurice O. Hawkins, seaman, first class, Hastings, Mich.; J. J. Schurz, seaman, first class, St. Louis. The possibly fatally injured: Lieut. Winston I. Quastbeum, of Kentucky, who entered the service from Texas; Ensign John B. Huntley, appointed to Annapolis from Ohio; R. C. Duff, seaman, first class; O. E. Swift, seaman, first class. Others injured, all seamen, first class: H. J. Hinton, J. R. Kowalski, C. V. Stover, R. E. Lutz, W. J. Duval.

All of the dead and injured were members of the Colorado crew except Schurz, who was on leave from the U.S.S. Alabama, and was visiting a friend aboard the Colorado.

Dozen Hurt When "National" Flyer Leaps From Rails

Broken Track Ditches Six Cars Within Seven Miles of Winnipeg With Only Two of Hundred Passengers Seriously Injured

WINNIPEG, Nov. 5 (CP).—Twelve persons were injured, two seriously, when the crack Montreal-bound flyer of the Canadian National Railways, "The National," was derailed seventeen miles east of Winnipeg tonight. Two baggage cars, a tourist coach, day coach, diner and sleeper left the rails.

Six of the twelve persons requiring hospital attention were members of the train crew, according to a statement by A. A. Tisdale, general manager for Western lines. About 300 feet of rail were torn up, he said. The derailment was due to a broken rail.

NURSES WERE ABOARD
Most seriously hurt were George Whitworth, dining car waiter, who may lose an eye, and R. P. Stewart, Toronto, dining car cook. A fortunate coincidence, pointed out by Mr. Tisdale, two trained nurses were traveling aboard the train and were able to render first aid.

Passengers numbering nearly 100 were rushed to Winnipeg by a special relief train sent to the accident scene, carrying railway doctors, nurses and operating officials. The injured were taken to hospital and other passengers traveled east last night on the Port Arthur. Trains were kept on schedule over the usual route tomorrow, officials said, as track-clearing operations are already under way.

His sudden passing removes one who was held in high esteem by a wide circle of friends in business and social activities of the city, and his able assistance in musical organizations will be greatly missed.

Mr. Williams was a man of many fine qualities, which were reflected in the manner he organized and carried out the various undertakings with which he was identified during his long residence here.

NATIVE OF LEEDS
Mr. Williams was born in Leeds, England, the son of Benjamin and Elizabeth Williams, sixty-four years ago. One of his first business ventures in Victoria was in the clothing business, first on Johnson Street and later on Yates Street. Yates Street he was associated with his brother, under the firm name of B. Williams & Co., but he disposed of the store and moved into the manufacturing business, which he subsequently carried on for a number of years.

Predicts Speedy Loss of Burden

WASHINGTON, Nov. 5 (AP).—In tune with the merry song of rising wheat prices, Chairman Stone, the Farm Board, today predicted that the burdensome world surplus of the food crop would be entirely removed by next year.

Crop shortages and weather damages, Stone said, together with strong indications of reduced planting next year, "will put us back on an even keel as far as the relation between production and consumption is concerned."

Premier Expected To Take Vacation

OTTAWA, Nov. 5.—Rt. Hon. R. B. Bennett, who recently suffered an indisposition, continues to show improvement. The Prime Minister, who has not had a vacation for more than three years, may leave the capital about the middle of next week on a holiday from his official duties.

TO SEARCH FOR NURSE

VANCOUVER, Nov. 5.—Preparatory to organizing parties to search for Miss Mary Warburton, sixty-year-old Vancouver nurse, who has been missing since October 19, Provincial Police Constable W. A. Gill left today for Squamish. It is expected that expeditions will start out from Squamish on Friday in search of the missing woman.

PEACE HOPES VANISH WHEN FIGHT RAGES

Many Casualties Reported After Japanese and Chinese Troops Clash

ARMIES DIGGING IN ON BANKS OF RIVER

TOKYO, Nov. 5 (AP).—Hopes of early peace in Manchuria were blasted today by a battle between Japanese and Chinese troops for possession of a dynamite-wrecked bridge. The Japanese rushed reinforcements to the scene, where the Tsouan-Anghang railway crosses the Nonni River, and further fighting was in progress.

The War Office here announced fifteen Japanese and an undetermined number of Chinese soldiers were killed and many wounded, and said "positive and effective measures" were decided upon by the Japanese to meet the "threatening" situation.

FIGHT IN THE FOG
Observers agreed the fight in the fog last night and today over the Nonni River bridge destroyed what few hopes remained for success of the League of Nations plan for a return to normal conditions in Manchuria by November 16.

The immediate cause of today's battle, after which the two armies "dug in" on either side of the river, was not quite clear. The Chinese troops were those of General Ma Chan-Shan, supported of the absent Nationalist governor, Wan Fu-Lin. The bridge was dynamited some weeks ago by General Ma's men to hinder movements of the insurgents. The army under General Chang Hai-Peng, who was trying to bring control of the Tishitar area from the Nationalists. He was defeated and fled to Mukden.

SENDING MIXED BRIGADE

Newspapers announced the War Office had decided, subject to Cabinet approval, to send a mixed brigade of 4,000 men to Manchuria from Japan to replace tired troops sent from Korea at the time of the original outbreak near Mukden, September 18. They also said Minister Minami was seeking sanction to send conscripts whose terms would normally expire in December in the army until March.

General Ma is said to have 5,000 men in the Tishitar area. His forces include field and machine guns.

DEATH SUMMONS W. T. WILLIAMS

Business Life of Thirty-Four Years Is Severed by Sudden Passing

William T. Williams, whose name has been associated with the business life of Victoria for thirty-four years, during which time he took an active interest in many community and business organizations, died at his home in Victoria today morning, from a heart attack.

His sudden passing removes one who was held in high esteem by a wide circle of friends in business and social activities of the city, and his able assistance in musical organizations will be greatly missed.

Mr. Williams was a man of many fine qualities, which were reflected in the manner he organized and carried out the various undertakings with which he was identified during his long residence here.

Mistaken for Bear, Hunter Is Shot Dead

George C. Hendricks, of Sicamous, was shot dead in a hunting accident at Mara Lake on Wednesday, being mistaken for a bear. Word of the fatal result of the hunt reached the headquarters of the Provincial Police yesterday from Inspector Pernie, by police wireless from Kamloops, and an investigation is being conducted.

According to the police, Hendricks was a hunter and was out on a hunt when he was mistaken for a bear. He was shot dead by a hunter who was out on a hunt.

Child Burns to Death In Alberta Farmhouse

EDMONTON, Nov. 5.—William Elmer Anderson, twenty-one-month-old baby, was burned to death in his parents' house four miles from the city this afternoon when flames destroyed the residence. The mother and father were absent in a field at the time, and John Roy Tegier, owner of the farm where Mr. Anderson is hired man, was burned about the hands in an unsuccessful attempt to rescue the child.

FIRE AT TRAIL

TRAIL, Nov. 5.—Loss of \$5,000 was suffered by M. M. Butorac in a fire which destroyed Butorac Motors today. In addition, the frame building, owned by a local syndicate, was a total loss. Four cars were lost.

FIVE DIE IN PLANE CRASH

Passenger Craft Nose-Dives and Burns on Crowded Golf Course

CAMDEN, N.J., Nov. 5 (AP).—Crashing to earth on a golf course at it attempted to land at a nearby airport, a Washington-bound passenger plane early tonight burst into flames, killing five persons. The plane had left Newark at 5:48 p.m. Those killed, all burned beyond recognition, were Floyd Cox, Washington pilot; Elmer Smith, advertising manager of the Washington Herald; Vernon Lucas, Washington; George B. Taylor, director of the Fama Dairy in Washington, and Francis R. Eble, Riverton, N.J., president of the International Restaurant Co. of Philadelphia.

SUDDEN NOSE DIVE

The plane, a high-speed Lockheed Vega monoplane, owned by the New York-Philadelphia-Washington Airways Corporation, apparently was gliding to a safe landing when it suddenly nosed to the ground on the Cooper Creek golf course.

Officials of the airport, where the crash occurred, said they were unable to rescue any of the passengers because of the intense heat. Firemen extinguished the flames.

Thousands of persons attracted by the crash and blaze jammed the golf course and airport property. The victims, as soon as they could, were reached, were hurried to the nearest hospital, but all were dead.

CRASH UNACCOUNTABLE
Officials of the air line said Cox was known as one of its best flyers, and that they could not account for the crash.

Passengers numbering nearly 100 were rushed to Winnipeg by a special relief train sent to the accident scene, carrying railway doctors, nurses and operating officials. The injured were taken to hospital and other passengers traveled east last night on the Port Arthur. Trains were kept on schedule over the usual route tomorrow, officials said, as track-clearing operations are already under way.

DIED AT CONTROLS

Pilot Cox died at his post, rescuers said. His body was found about the hands in an unsuccessful attempt to rescue the child.

Coroner Melville Kane, of Camden, who hastened to the scene immediately after the tragedy, said: "The condition of the wreck makes it useless to attempt to determine the cause of the crash."

PREMIER MACDONALD NAMES TWENTY OUTSTANDING MEN TO FORM STRONG MINISTRY

British Bodies to Start Huge Drive For Empire Trade

LONDON, Nov. 5 (CP).—A gigantic drive for Empire trade will get under way throughout Great Britain on November 16, under the comprehensive auspices of more than fifty national organizations.

Among the national bodies which will co-operate in the drive are the Associated Chambers of Commerce, the Federation of British Industries, the National Union of Manufacturers and the Association of Retail Distributors. The Ministry of Agriculture and Fisheries has asked the National Farmers' Union to take part. All civic authorities have been asked to co-operate.

Thief Gets Jewels of Potentate

LONDON, Nov. 5 (AP).—Emeralds, diamonds and rubies valued at about \$40,000 and about which the legends and traditions of Hindustan have built an atmosphere of romance, have been stolen from one of the Indian potentates attending the round-table conference.

The youthful Maharajah Dhiraaj Kanahwar Singh of Dharwad discovered the loss last night when he went to his palatial suite in his hotel overlooking the Thames.

MAHATMA GOES TO TEA PARTY

Appears Half Naked at Buckingham Palace—Arousing Little Interest

By ROSEMARY PARSON
(Copyright 1931, by The Chicago Daily News-Pepper Service)

LONDON, Eng., Nov. 5.—There was a tea party at Buckingham Palace this afternoon, at which King George and Queen Mary received the delegates to the Round Table Conference on India.

At 3:30 o'clock the dandified feet of the British nobility, and the clopped across the red carpet, and Mr. Gandhi came face to face with the King-Emperor of India.

Mr. Gandhi has been saying some very nasty things about the office of the King-Emperor lately. He sailed from Bombay to put a knockout blow to the British Empire.

NO ENTHUSIASM
As a consequence, when Gandhi's car rolled into the courtyard of Buckingham Palace today the British failed to get enthused about it. The Prime Minister is very much of a holy man—and, perhaps, as a negotiator, Gandhi's ability to argue the point without ever coming to the point is boring the British.

The situation of the Round Table Conference can be briefly summed up by saying that the whole affair remains in the hands of the Prime Minister. Next week Prime Minister MacDonald probably will call a meeting of the minority committee.

EMPIRE PREFERENCE AUSTRALIA'S OBJECT

CANBERRA, Nov. 5 (CP).—Prime Minister James H. Scullin today said Australia would press for the adoption of intra-empire preference, breaking a long silence he has maintained on the subject since the Commonwealth's position in the Empire. He added he was greatly pleased by a recent statement of Sir Arthur Balfour that Great Britain was prepared to consider a trade agreement with the Dominion.

Eleven Conservatives, Five Liberals and Four National Laborites Make Up New Cabinet—Neville Chamberlain Is Chancellor—Stanley Baldwin Remains President of Council

Former Exchequer Head Will Return as Lord Privy Seal

LONDON, Nov. 5 (CP).—In his Lonsborough retreat Premier Ramsay MacDonald completed drafting his new National Cabinet today. A Cabinet of twenty replaces the emergency Cabinet of ten. It is as follows: Prime Minister and First Lord of the Treasury, Rt. Hon. Ramsay MacDonald, National Laborite. Lord President of the Council, Rt. Hon. Stanley Baldwin, Conservative.

ROAD WORK DISCUSSED

Federal and Provincial Ministers Meet in Conference at Ottawa

OTTAWA, Nov. 5 (CP).—Expenditures on highway construction by the Province of British Columbia were the subject of discussion at a somewhat lengthy conference this afternoon and evening between Hon. R. W. Bruhn, Minister of Public Works, and Hon. J. W. Jones, Minister of Finance, representing the Pacific Coast province, and Hon. G. D. Robertson, Minister of Labor, and Hon. H. H. Stevens, Minister of Trade and Commerce, of the Federal Government.

SPENT TOO MUCH
At the conclusion of the conference Senator Robertson gave a brief outline of what had taken place. Information was given that the Province of British Columbia had spent \$3,000,000 on its highway programme since last August. This amount, Senator Robertson said, the Federal Government considered too much. The provincial ministers were informed that the highways programme of British Columbia had been approved by the Federal Government to the extent of \$3,250,000, of which the Federal proportion was \$1,625,000. This was the amount which the Dominion was prepared to furnish.

NOTHING TO SAY
The ministers from British Columbia had no statement to make when they emerged from the office of the Minister of Labor at the conclusion of the conference. It is understood that Mr. Jones will leave for the West tonight, while Mr. Bruhn remains in the East for a few days.

SEATTLE, Nov. 5 (AP).—Karl Krueger, conductor of the Seattle Symphony Orchestra, today resigned, saying he was compelled to step out by lack of adequate financial backing, preventing the further growth of the orchestra.

REFLECTS SWEEPING CHANGE
The National Cabinet of ten—functioning before the general elections—was formed after the collapse of the Labor administration. It consisted of four Labor members, four Conservatives and two Liberals. The new National Government, reflecting the sweeping changes which the general elections made in the composition of the House of Commons, consists of eleven Conservatives, five Liberals (including Sir John Simon), and four National Laborites. The two key positions of Chancellor of the Exchequer and President of the Board of Trade go first to Neville Chamberlain, the second to Walter Runciman. The new chancellor, a protectionist, replaces Philip Snowden, a free-trader, who becomes Lord Privy Seal in succession to Lord Peel.

Advance in Silver Price Renews Hope Of B.C. Producers

Every Cent Increase Represents Gain of \$118,000 in White Metal Returns to Province—Has Important Bearing on Prosperity of Industry

VANCOUVER, Nov. 5.—An advance in bar silver to the extent of 1½ cents an ounce today, setting a new high for the year at 32½ cents, was good news to the silver industry in British Columbia. Every one-cent increase in the price represents a gain of \$118,000 in silver returns to the province on the basis of last year's production.

BRAND CALLING SPECIAL MEETING

Manchurian Trouble to Be Discussed in Paris by League of Nations Council

PARIS, Nov. 5 (AP).—Aristide Briand, French Foreign Minister and chairman of the League of Nations Council, will call a special meeting of the council in Paris, November 17, to discuss the troubles of China and Japan in Manchuria. It was announced today.

Premier Laval of France also is expected to help his foreign Minister and the representatives of other world powers to solve the difficult situation in the Far East, which they regard as threatening the peace of nations.

The Premier alluded to the Sino-Japanese dispute in a speech today at the American Club, when he said it was the imperative duty of all to attempt to settle conflicts which the present world situation made more acute.

It was decided to call the League of Nations delegates to Paris for the special session because M. Briand is unable to go to Geneva on account of his Parliamentary duties.

GOOD NEWS FOR CANADA
OTTAWA, Nov. 5 (CP).—The sturdy advance which bar silver made in the world market today was good news for Canada. The white metal romped along to around 35 cents an ounce, which is some 7 cents an ounce above the September average and nearly 9 cents above the year's low.

It sent the stocks of silver mines up in Toronto and Montreal exchanges. Canada is the third greatest silver producer in the world and should benefit materially if recent advances are continued.

PRICE AND PRODUCTION
Silver production, combining as it does the production of many other metals, such as cobalt, lead, zinc, nickel, gold and copper, has an important bearing on the mining prosperity of the country and its exceptionally low price during the present year had resulted in considerable slowing down of operations throughout Canada.

Manufacturers Plan Strong Campaign to Expand Employment

Predict Marked Improvement in Few Months if
Canadian Industries Are Maintained in
Strong Position During This Winter

MONTREAL, Nov. 5.—Firm in the belief that if Canada is able to weather effectively the storm of depression and unemployment this winter, marked economic progress will be recorded by mid 1932, leading industrialists of the Dominion pledged themselves today to an intensive fight on behalf of the jobs. To the fore in the battle against unemployment will be a policy of "maintenance of employment," by which all industries, whenever possible, will maintain production and labor.

The decision was reached when the executive committee and the council of the Canadian Manufacturers' Association met here today. W. H. Miner, of Granby, Que., president, headed the contingent. Debate on the Dominion's economic and industrial outlook was continued all day, with four main decisions being made:

1. Canadian manufacturers will fight unemployment by maintaining industrial production wherever possible, and as many men as possible.

2. Services of manufacturers from coast to coast will be enlisted to work with the Dominion, Provincial and Municipal Governments, in order to insure the use of Canadian products and Canadian labor in all public works undertaken through the Federal unemployment relief plan.

3. Dominion and Provincial Governments will be asked to restrain the spending of money voted for unemployment relief on road building, and to use it mostly on public works, thus assuring skilled labor of employment.

4. Canadian manufacturers applauded the new Australian-Canadian trade treaty, and hope earnestly that a similar trade pact will be made with New Zealand, thus opening up potent markets for Canada assuring labor of more work.

To insure that Canadian products and Canadian labor were used throughout all phases of unemployment relief work in Canada, special subcommittees were formed representative of the five divisions—Maritime, Quebec, Ontario, Prairie and British Columbia—and the fifty-two branches of the association, to work with the Federal, Provincial and Municipal Governments and see that in every possible case the contractors be made to use products made in Canada and employ bona fide Canadian labor.

TO MAKE ECONOMIC STUDY
It was decided that as a result of Premier Bennett's decision to invite the holding of the Imperial Economic Conference in Ottawa in 1932, manufacturers would appoint committees to study intensively such economic factors as tariffs, trade regulations, and shipping conditions, cable and telegraphic rates and all things connected with Empire trade.

J. B. Thomson, Vancouver, past chairman of the British Columbia division, was the only Westerner in attendance.

**WINTER CRUISES

MONTREAL, Nov. 5.—Reductions in steamship rates for winter cruises to the West Indies were announced today by the Canadian Pacific Steamships Company. Passage rate of the Empress of Australia, cruise of nineteen days from New York sailing December 2, was reduced 27 per cent. The Christmas-New Year cruise of the same vessel was reduced 22 per cent in fare. The same reduction was made for the third cruise, leaving New York January 13.

Fare on the Duchess of Bedford, sailing March 12 for a twelve-day cruise, was reduced 26 1/2 per cent. The second cruise of the same vessel will bring a 26 1/2 per cent reduction.

SEAWAY PLAN IS PREMATURE

Quebec Premier Says Province
Should Be Consulted on
St. Lawrence Scheme

QUEBEC, Nov. 5 (CP).—"Canada, in this period of depression, is not in a position to warrant the expenditure of hundreds of millions of dollars which will materially assist the United States to exploit millions of horse-power on the St. Lawrence River," Premier L. A. Taschereau stated today during his address in the debate on the Throne Speech reply in the Quebec Legislature.

"We in Quebec," the Premier said, "are vitally interested in the St. Lawrence waterway, which is one of our natural resources, and I feel that this province has been slighted in its representatives not having been invited to attend these important discussions to state their own opinions on a matter which is of vital concern to us."

SHOULD BE CONSULTED
The St. Lawrence River is one of the great natural resources of the Province of Quebec. I see by the newspapers that the United States is waiting for the Dominion Government to take the initiative in this matter. I think that the Province of Quebec should be consulted.

"I intend to ask the House to study the St. Lawrence waterway and bring down a resolution which will embody the stand which we will take on this important question."

MAY RESTRAIN TRUCKING
One of the most difficult situations confronting the province was the condition in which the two great railway systems found themselves, the Premier stated.

The rapidly-mounting monthly deficits could not go on indefinitely, he said. The difficulty was created largely by increased motor-carriage of freight and passengers.

"I shall ask this House, during the session, to study this pressing problem and to bring down some legislation which will restrain in some measure this motor traffic," the Premier said.

DEATH SUMMONS
W. T. WILLIAMS

Mr. Williams was also identified with real estate and mining brokerage and was, at one time, connected with the development of the Flathead headwaters in Southern British Columbia.

In music he was intensely interested and possessed a fine voice, and there were many admirers of his singing. He was a member of the choir of the St. John's Church, Vancouver, and sang in the choir at the funeral service of the late J. S. H. Matson.

SURVIVING RELATIVES
Mr. Williams is survived by his widow, two daughters, Dorcas and Daphne; one son, Jesse Campbell Williams; two sisters, the Misses M. and Alice Williams, Victoria, and two brothers, C. V. H. Williams, of Honolulu, and Benjamin, of Puente, Maui. The family home is at 1346 Harrison Street.

The remains are resting at Hayward's B.C. Funeral Chapel, and from there the funeral will be held, Saturday afternoon, at 2 o'clock, at the funeral home of V. H. Williams, 1000 Commercial Street. The Very Rev. C. S. Quinlan, Dean of Columbia, will conduct the service, commencing at 2:15 o'clock. Interment will be in Ross Bay Cemetery.

Arion Club members who are joining the choir which will sing at the funeral of Mr. Williams, are requested to be at Christ Church Cathedral at 2 o'clock Saturday.

URGENT PROTECTION
At the opening of the Conservative campaign at Birmingham, Mr. Chamberlain, referring to the adverse balance of trade, said: "I think in Birmingham we shall all be united in feeling there is no policy we can seek that can be an effective substitute for the policy of protection, for our home industries and for the maintenance of our home standards."

The balance of trade, he said, is a position regarding trade policies, Mr. Chamberlain, has been a lifelong free-trader, although before the elections he declared his readiness to support an embargo against imported luxuries if he believed that such necessary to redress the balance of trade.

ANOTHER PROTECTIONIST
Sir Philip Cunliffe-Lister, who leaves the Board of Trade for the secretaryship of the colonies, also is a firm believer in protective tariffs. Sir Hilton Young, who has been promoted from Parliamentary Under-Secretary for the Board of Trade to Minister of Health, argued during a campaign meeting at Cardiff that no general low-tariff tariff of 10 per cent or so would serve to stabilize the pound. "It must be," he said, "on the basis of 38 per cent."

Sir John Simon, chairman of the National Liberal party, has been in Canadian cases before the Privy Council, a familiar figure for years. He broke from David Lloyd George in protest against the party's support of the former Labor Government. This was one of the main factors leading to the formation of the National Liberal party.

IS HOME SECRETARY
Appointment of Sir Herbert Samuel, who yesterday became chairman of the Liberal party, to the party in succession to David Lloyd George, comes on the eve of his birthday. It is his third appointment as Home Secretary. Lord Londonderry, who was First Commissioner for Works in the first National Government, now becomes Secretary for Air with Cabinet rank. Lord Sankey, J. H. Thomas and Sir Donald Maclean hold their former positions, although the latter now is included in the new Government. Philip Snowden leaves the Exchequer to become Lord Privy Seal. His elevation to the House of Lords

Saanich Council Is Opposed to Per Capita Tax

DISAPPROVAL of the per capita tax as a means of financing hospital services was voiced in a resolution passed by the Saanich Council at its meeting last night. The resolution came at the end of discussion on the delegates' report of the conference held at the Royal Jubilee Hospital to discuss hospital financing and wiping out of the \$31,000 deficit.

As a result of last night's decision the Saanich delegates to the hospital conference will return with the instruction that the council is opposed to a per capita tax and believe that the whole question should be dealt with by the Provincial Government.

It is expected shortly. Under the Labor Government the Lord Privy Seal assumed the duties of a minister of employment, but the idea seems rather that he shall be available for advice and counsel around the Cabinet table.

OTHERS TO BE NAMED LATER
The junior appointments to the Ministry will be announced after the Prime Minister's return from Loughborough. He is not expected to return until Monday.

The fact that Mr. Hon. Winston Churchill was not included in the new Ministry has caused surprise in some quarters. The average age of the new Cabinet is fifty-seven, compared with sixty and a half for the last National Government and sixty for the last Labor administration. Sir Donald Maclean, sixty-seven, is an oldest member, being the senior of Philip Snowden by a few months. Sir Archibald Sinclair, forty-one, is the youngest.

MAY ESTABLISH NEW STATIONS

Weather Men and Agriculturalists Plan for Better Meteorological System

WINNIPEG, Nov. 5 (CP).—Establishment of 150 new weather reporting stations in the three Prairie Provinces is being planned by a conference of meteorologists, agricultural experts and grain trade executives meeting here.

At present there are fifty meteorological stations, but with a view to improving the weather service in its relation to farming and grain trade, John Patterson, director of the meteorological service of Canada, outlined to the conference a plan for increasing this number to 200. Roughly, the cultivated area of Manitoba, Saskatchewan and Alberta would be divided into zones of about 1,200 square miles, thirty in each province, and in each zone two miles east and west. In each area would be a report station which would report any rainfall or other weather conditions. The reports would be compiled and distributed.

The conference meeting here today is the result of years of study and agitation for an improved meteorological service in the West. Grain men, agriculturists and the agricultural press were in attendance. With the executive committee, Communist international plenum, he would be expelled, and this action was subsequently taken.

Steel for Fourteen Miles of Lulu Island Track Is Taken Over

VANCOUVER, Nov. 5.—Opening to transportation of steel for the Lulu Island, the 4,300-foot Canadian National bridge which crosses North Arm of the Fraser River, the foot of Byrne Avenue, Burnaby, carried its first trains on Wednesday.

Work trains which crossed the span carried the fourteen miles of steel which the company will lay along the bank of the North Arm, where many industries are now operating. It is expected that this work will be completed by the end of this year. The tracks will be laid to a point just west of Edmore, when a spur will be routed southward in the direction of Stevenson.

The ultimate scheme provides for thirty-two miles of steel on the island, with two routes to Stevenson. Estimated cost of the completed project is placed at \$2,000,000.

PROCLAMATION NOT NECESSARY

Remembrance Day Stands
in Same Position as Other
National Holidays

OTTAWA, Nov. 5 (CP).—Remembrance Day stands in the same position as July 1, Labor Day, Christmas Day or New Year's Day. As it is a holiday established by legislation, there is no necessity for His Excellency the Governor-General to proclaim the day as a holiday. Neither is it necessary for a provincial or municipal authority to proclaim a holiday.

The intention is that Remembrance Day shall be observed in the same way as Armistice Day has been in the past. The desire of the Government is that Remembrance Day be observed and honored throughout the country.

OFFICIAL STATEMENT
In an official statement issued late today, these declarations are set to avoid uncertainty in the matter. Answering inquiries which have been received by departments of the Government, the official statement reads:

"A large number of inquiries have been made to many departments of the Government with respect to the observance of Remembrance Day and the Secretary of State of Canada considers it advisable to make a public statement in order to avoid uncertainty in the matter."

"By legislation of the last session of Parliament, November 11 was fixed as a public holiday and as Remembrance Day and the Secretary of State of Canada considers it advisable to make a public statement in order to avoid uncertainty in the matter."

COMMUNIST TRIAL NEARS COMPLETION

Continued from Page 1

lawful association, and being parties to a seditious conspiracy. The trial opened Monday, and the Crown has occupied the full time of the court since then.

OUTSTANDING WITNESS
The outstanding witness so far has been Leopold. He joined the Communist party as E. W. Eselwain, and at one time was arrested for creating a disturbance—

Communist—outside the United States consulate in Toronto. This afternoon, the Crown called its executive witness, who produced documents seized in the various raids. They produced resolutions of the "plenum" or meeting of the central executive, which spoke of the formation of the Workers' Unity League.

One of these resolutions declared the Canadian party had made important successes, and had been able to "mobilize the masses in spite of police and fascist terror." The party had in addition played an independent role in the leadership of several strikes. The "revolutionary press had been extended to the 'Ouvrier Canadian,' the miners' paper, 'The Munkus and Borba,' it said.

EXPELLED FOR LEANINGS
Jack Macdonald, Mike Buhay and a man named Margolis had been expelled from the party because of their "right leanings," it continued. A telegram signed "Hockett," from Moscow, had been sent to the Canadian party informing Macdonald that unless he accepted the conditions of the executive committee, Communist international plenum, he would be expelled, and this action was subsequently taken.

Mr. Justice Wright, presiding, finally protested at the lengthy extracts from the various documents. "I don't know if the jurors are prepared to stay in the jury room the rest of the winter," he said.

HAD FAILED IN TASKS
A report of a convention in 1929 declared the Canadian party had not carried out the tasks set for it and should start organization work among the French-Canadians in Quebec. The "poor farmers" should be organized to fight the "rich farmers."

The most oppressed section in Canada was the French-Canadian, which was still under the domination of the Catholic Church," the report said. French Communists had been asked to send some of their organizers to Canada to participate in the organization here.

The trial will continue tomorrow.

HON. H. MARLER BACK IN TOKIO

Canadian Minister to Japan
Arrives Much Improved
in Health

TOKIO, Oct. 24 (By Mail).—Canada's minister to Japan, Hon. Herbert Marler, and Mrs. Marler, returned to Tokyo today, arriving at Yokohama by the liner Empress of Japan, after an absence of five months.

The minister seemed to be in excellent health and spirits despite the fact that when he boarded the Empress at Japan and Vancouver he was only convalescing from illness. Mrs. Marler explained that the voyage across the Pacific, via Honolulu, which had been a delightful one, had done her husband a great deal of good and had enabled him to recover his health almost completely.

TO INCREASE SERVICES
In an interview with the Canadian Press correspondent, Mr. Marler said he was glad to report that the Canadian Government had decided to increase its trade services in both Japan and China. While in Canada, he said, he had spent much time in consulting the Dominion Government as to matters of importance to Canada in the Far East, and in particular as to the commercial service out here. Both the Prime Minister, Mr. Hon. R. B. Bennett, and the Minister for Trade and Commerce, Hon. H. H. Stevens, had listened to him sympathetically and encouragingly, and were most anxious to maintain and promote the trade relations between Japan and Canada, and to increase the trade between the two countries.

W. H. KINSMAN IS CANDIDATE

Announces He Will Enter
Campaign for Seat on
City Council

William H. Kinsman, accountant, who was sixth man in the aldermanic race for the five seats on the 1931 City Council, announced yesterday he would be a candidate again this year.

Mr. Kinsman is well known in the city and has taken a keen interest in municipal affairs. Although unsuccessful at the last poll, he made a good showing against a formidable array of contestants.

His policy, if elected, will be to encourage the administration of the city's affairs along sane business lines, careful supervision of expenditures and an economic management without impairing efficiency.

Mr. Kinsman is the first official announcement of a candidature outside that of Alex. Peden, who is to seek re-election to the Council.

A DOUBLE DOSE

Mrs. Smith heard a man ascending the public staircase late at night, and, supposing it to be her husband, she opened the door and administered a severe thrashing.

"Good heavens!" she cried at last, "you're not my husband! You're the tenant on the next floor! I'm awfully sorry!"

"Yes, and you ought to be!" replied the victim. "Now I'll have to go through all that again!"

REMEMBRANCE DAY IS STATUTORY HOLIDAY THROUGHOUT CANADA

The following citation from the revised statutes of Canada for 1931 sets out the legality of November 11 as a public holiday and will clear away any misconception concerning the observance of the day: "Sections two and three of the Armistice Day Act of the revised statutes of Canada of 1927, are repealed and the following is substituted therefor: "Throughout Canada, in each and every year, the eleventh day of November, being the day of the year 1918, on which the Great War was triumphantly concluded by an armistice, shall be a holiday and observed as such under the name of 'Remembrance Day.'"

LABOR MEN WAIT ON ALD. R. DEWAR

Veteran Member of City Council
Declines to Reconsider His
Decision to Retire

Alderman R. A. C. Dewar has definitely decided to reconsider his decision to retire from civic politics at the close of the present year. Alderman Dewar gave his final decision to a delegation of representatives from the Trades and Labor Council, who conferred with him at his home last night. The delegation waited on Mr. Dewar on instructions from a general meeting of the council to officially request him to reconsider.

PLEADS FOR DAY OF REMEMBRANCE

Members of Rotary Club Told of
Significance of the Observance
of November 11

Making a plea that Remembrance Day should be regarded not so much as a holiday as a day of remembrance of the deeds of those who had served their country well in the war, was made by Rev. Montague Bruce at the luncheon meeting of the Victoria Rotary Club yesterday. Since the end of the war of days there was a general feeling that the day might not always realize what sacrifices were made by those who suffered in the war.

ARE SEEKING RE-ELECTION

Trustees J. S. McMillan and
Victor E. Emery Entering
Municipal Campaign

At least two of the four retiring members of the Victoria School Board will seek re-election for the 1932-33 term, it was made known yesterday when Trustees J. S. McMillan and Victor E. Emery, announced their candidacies.

Trustee McMillan is completing his fourth year as a member of the board, and Trustee Emery his second. Both have been active in the interests of educational matters and have accumulated a wide knowledge of school requirements and the administration of the school system.

STATES HIS POLICY
In announcing his intention to seek re-election, Trustee McMillan stated it would be his policy to give the children of Victoria the best possible education with the limited financial facilities, and without increasing the cost to the citizens. He mentioned the assistance given the board by the Provincial Department of Education in extra grants and expressed the hope that other means would be found during the coming year to further assist the board financially in the administration of the schools. During his term of office Mr. McMillan has been actively interested in night schools.

MAINTAIN STANDARDS
Trustee Emery stated that in seeking re-election he considered his experience in school matters would be of advantage to the citizens and ratepayers at this time when conditions were abnormal. Trustee Emery said that during his term on the board, he has always given careful consideration to matters of expenditure and has been a strong advocate of maintaining a high standard of efficiency in the staff of the school system, without increasing the cost of administration.

CURRENCIES SHOW
FRACTIONAL GAINS
NEW YORK, Nov. 5 (CP).—British and Canadian currencies advanced fractionally on local foreign exchanges today, the Dominion's currency closing at 90.1-4 cents, 1-4 higher than yesterday's close, and the pound sterling closed at \$3.76 1-2 for cable transfers, 1-2 higher than the previous close.

The dollar opened unchanged at 90c, holding steadily until mid-afternoon, when it rose to 90.1-4c, to close slightly stronger. Sterling started the day 1-2 weaker at \$3.75 1-2, lost 1-2 net at noon and made a comeback in mid-afternoon to \$3.76 1-2, to close slightly higher.

SEEK ADVICE ON FISHING

Members of Chamber of Commerce Committee Are Asking for Information

The newly-constituted committee of the Chamber of Commerce, having in view the conservation of game and sporting fish on Vancouver Island and the restoration of the sport which is attendant upon this, is losing no time in getting down to practical work. Under A. G. Bolton, the chairman of the committee, representative residents of the island who have had experience and who might be expected to render assistance in formulating plans for the proposed conservation policy, are being circulated and asked for suggestions.

In considering the problem of reviving the fishing in Cowichan River and Lake, the conclusion has been reached by the committee that the planting of fish eggs and fry are both in error. The condition of the fishing warrants the opinion, it is stated, that something different is required there. It is given as the considered opinion of the committee that the proper course would be to have nurseries or fish-rearing ponds provided, so that the fry might be protected from their natural enemies, ducks and bigger fish. It suggested that these young fish should not be liberated in the river before they are a year old.

FIGURES SUBMITTED

Figures are submitted by the committee to show that there have been rather generous plantings of fry and eggs on Vancouver Island during the past ten years, from 1921 to 1931. These show that in fish plantings there was a total in that time of 1,290,527 cutthroats, 754,472 steelheads, 422,872 brook, 1,154,522 Kamloops, 2,789,175 Atlantic and 200,537 speckled trout. In the matter of fish egg plantings, the record for that time was 948,000 cutthroats, 93,400 steelheads, 135,000 brook, 725,500 Kamloops and 800,800 Atlantic.

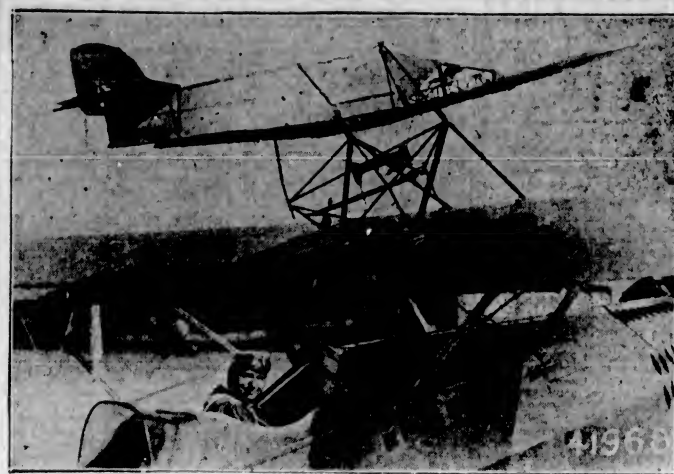

A questionnaire which is intended to secure all kinds of information on the subjects treated, is being circulated so that the committee may be advised as to the causes and the remedies for the lack of fishing which is now noticeable on the island. The first question asks for reasons for the depletion of trout fishing, both lake and river, and also for suggestions as to the remedy. Another department asks for the cause of the depletion of salmon fishing in Saanich Arm, Comox Harbor, Alberni Canal, Qualicum and other places on the island, as well as the reasons for the depletion of the salmon fishing at Campbell River and along the rest of the coast.

KEPT ALIVE THIRTY YEARS

How Dr. Alexander Bowle, of London, kept Arthur Stovell alive for thirty years because of a promise to Stovell's mother has been revealed in Stovell's will which has just been filed. Stovell, who was seventy-seven when he died last January, left among numerous bequests, \$60,000 "to my doctor, to whom I owe my last thirty years of life." The tragic story lying behind this bequest was told by Dr. Bowle, to whom Stovell referred. "I can truthfully say," said Dr. Bowle, "that I did keep Stovell alive, for without constant care and attention he would undoubtedly have died. He was an invalid from birth, and when, as the family physician, I was at his mother's bedside, she asked me to take care of him. I gave her my promise to do so."

Parachute Device to Save Airplane

THIS novel method of saving the lives of passengers in a disabled airplane is being developed by the United States Army Air Corps. When the plane becomes disabled the pilot releases a gigantic parachute, which lifts the cabin intact from the falling plane and lowers it gently to the ground. The photograph shows the glider with the detachable cabin about to be taken aloft and released during tests.

LOPPED DAY OFF RECORD

Young Society Flyer Piloted Plane From London to Capetown

CAPE TOWN, Nov. 5 (AP).—Peggy Salaman, pretty and vivacious nineteen-year-old British society girl, landed here today after a flight from England in which she lopped a whole day off the previous record set by the late Glen Kidston, noted sportsman and man of daring, last April.

Miss Salaman and her co-pilot, Gordon Stone, set the girl's diminutive plane down on the aerodrome at approximately five and a half days. Kidston's time was six and a half days, and it was an amazing record when it was made. The previous record had been nine days. Kidston was killed in a plane crash in May.

The girl left Kimberley on the leg of her flight four hours and twenty minutes before she landed here. The distance is 500 miles. A large crowd had gathered at the aerodrome when she arrived and she was given a rousing welcome.

Miss Salaman became interested in flying a year ago when she tired of the drawing-rooms of London's fashionable Mayfair. "The plane flew was a gift from her mother. She kept her plans secret even from her closest friends until just before she took off last Wednesday. Her costume for the flight consisted of a white wool sweater, a pair of white trousers and one evening gown so she could 'dress up' when she reached here.

PERFECT LANDING

"Sixty-four hours," Miss Salaman exclaimed as she climbed from the pilot's cockpit, her small, blue plane to be greeted by the official welcoming party. Many of the spectators had been waiting on the field for hours before they saw the plane appear out of the morning mist, swoop down over the crowd and then circle the aerodrome before coming to a perfect landing.

Chatting with reporters, Miss Salaman said she would take home two lion cubs, one of which she would give to the London Zoo. "I shared the time at the stick and was first pilot. My job was navigator."

South Africa is especially pleased to welcome Stone, who is a native of Kimberley.

WOMEN MAY GET DIVORCE

Women of Persia may sue for divorce if a bill brought before the Persian Parliament by the Minister of Justice, M. Daver, is passed. Herebefore husbands could tell wives to "get out," and considered themselves divorced, but wives could not sue for divorce on three grounds: If her husband is cruel to her; if he has threatened her life, or if he has been found guilty and convicted of a crime. Another important measure proposed by the Government is the raising of the age limit for marriage, which will abolish child marriages. The new proposals fixed the minimum age limit of women at sixteen and that of men at eighteen.

Bladder Troubles Bother Many Past 40

Seven Out of Ten Are Victims. But Writer Tells How "Uratab" Brings Swift, Amazing Relief With Renowned Vital Force

"One knows better than I, the horror of useless days and sleepless nights. There have been times when I felt hopeless and helpless and when my weakness caused me the most intense humiliation. Only those who have seen through such tortures can possibly realize my great satisfaction when Dr. Southworth's URATAB brought me quick relief. URATAB is truly wonderful, and I give them full credit. Such amazing evidence serves as convincing proof of the power of URATAB to relieve those distressing ailments so often a handicap to those in middle life.

Overworked, sluggish kidneys, and bladder weakness, which so often lead to distressing ailments which so often lead to serious diseases that end in death. Lame backs, pains in back and down through groins, anxiety but frequent urination, "stinging" or "burning" urination, nervous irritability and lack of force—should try the amazing value of Dr. Southworth's URATAB at once! Any good druggist will supply you on a guarantee of satisfaction or money back.

Tribute Paid To Memory of J. S. H. Matson

"In the passing of J. S. H. Matson this community has lost an exceptionally fine citizen, one who has done much for Vancouver Island and the Saanich Municipality in particular," Reeve William Crouch said last night, in addressing the Saanich Council towards the close of a special meeting.

"You, Councilors Cotton, Mr. Hagen, Mr. Borden and others, who knew him more intimately than I did, must realize to what extent his personality, enterprise and interest in public affairs will be missed.

"I am sincerely sorry to see so active a life brought to so abrupt an end, and would ask you gentlemen to join with me in standing for a few minutes in silent tribute to a man of so great worth."

Horticultural Society To Meet on Saturday

SIDNEY, Nov. 5.—The meeting of the North Saanich Horticultural Society will be held on Saturday at Wesley Hall at 7:30 p.m. The speaker for the evening will be Professor Boying, of the University of British Columbia, taking for his subject, "The History of Horticulture in Canada." After the lecture a social evening will be held, to which all members are cordially invited and are asked to bring either cake or sandwiches to help towards the refreshments.

NO ACTION BY LABOR PARTY

Independent Group Will Not Enter Candidates at Civic Elections Here

That the Independent Labor party would not be represented by its own candidates at the polls in the civic elections in December was decided last night at a well attended meeting held at 804 Kings Road.

The decision came after much discussion on the matter, the general opinion being that it would be more satisfactory to have candidates selected only from the Trades and Labor Council.

Members of the I.L.P. will attend the mass meeting of all or some of the affiliated unions at the Trades and Labor Council, to be held in the Labor Hall on Monday night, and it is probable that candidates selected there will receive full support from the Independent Labor party.

It was unofficially announced last night that only two candidates will be named at the meeting to seek civic office. Both of these, it was stated, would contest seats on the City Council.

Several Trades and Labor members were approached by the nominating committee of the Independent Labor party, who have consented to run, will go before Monday's meeting, two of the list to be chosen.

Committee Meeting—A meeting of the unemployed relief committee of the Saanich Council will be held next Thursday at 7:30 p.m. to go over the list of unemployed men registered in Saanich. Ward foremen will be present in an advisory capacity.

Poultry Show—The Victoria Poultry Association held its regular meeting in the Y.M.C.A. last night. It was decided to hold the annual Fall poultry show in the Agricultural Building at the Willows, on December 7, 8 and 9. D. Nichol was chosen as judge for the coming exhibition.

Goes to Parks Committee—A letter from the City Hall, received by the Capital City Beautification Committee, gives the information that the proposed beautifying the city has been handed over to the parks committee and the parks superintendent for consideration.

Gamb Act Cases—Three cases dealing with violations of the Game and Fish Act were heard in police court yesterday. F. Garrington, of 1905 Blanshard Street, was fined \$10 for firing a gun in a residential area. John F. Froud, of 78 Hampton Road, was charged with having a gun. The charge against Arthur Hay, 808 Selkirk Avenue, was dismissed.

Divorce Granted—Katherine Ann Vye was granted a decree absolute dissolving her marriage in 1926 with James Pulman Vye, medical practitioner, of the city of Victoria. The application was made before Mr. Justice A. L. Fisher in Supreme Court yesterday morning. The petitioner was given custody of the child.

City Tax Sale—At the adjourned city tax sale in the Council Chamber of the City Hall at 10 o'clock yesterday morning, City Treasurer Edwin C. Smith offered three parcels for auction. Two reverted to the city and one was purchased at \$20 above the upset price. The sale will be continued at 10 o'clock this morning.

Visited Montague Bruce—A party of about a dozen, from the Spokes Club, associated with the Rotary organization here, paid a visit to Rev. Montague Bruce at his home last evening. The club held its regular meeting with a programme of short speeches, after which refreshments were served by the host of the evening.

Wins New Honors—J. H. Beatty, M.P.P., it was announced at the luncheon of the Rotary Club yesterday, has been named as a member of the North American Economic Council of Rotary for the Pacific Northwest. The president, Percy Watson, offered the congratulations of the local club on the winning of this honor by one of its members.

It was stated at a meeting of the association held last night, Mrs. P. F. Osborn was named general convenor and the committee will be chosen later. Routine business marked the remainder of the meeting, which was presided over by Mrs. F. Bates, vice-president, in the absence of Fred Appleby, president, who has been ill during the past few days.

ABLE SEAMAN WAS DROWNED

Fell Overboard From Norwegian Freighter Off Cape Flattery Wednesday

VANCOUVER, Nov. 5 (CP).—When Ma. John Bakke arrived at 10 o'clock this morning, to Canadian Transport Company, her captain, J. Fagerland, reported the tragic death of a young sailor off Flattery, on Wednesday. The crew was rising the accommodation ladder, in preparation for the arrival of the pilot, when Eric Lomeland, nineteen, able seaman, of Sandness, Norway, fell into the ocean.

The water was not rough, but Lomeland was dressed in heavy sea boots and winter clothing. Life belts were thrown over, and within six minutes the ship had turned, and two boats were out, but no sign of the unfortunate sailor was seen.

He was sighted once, near a life belt, just before the ship turned. Captain Fagerland thinks he might have been injured by the thrashing propeller, as the vessel was light and the blades were high.

Test Shipment Succeeded—Trial shipment of ten cases of canned tomatoes from Kamloops to Hongkong dealers, made with the co-operation of the provincial authorities, has resulted in repeat orders for the British Columbia product. It was stated yesterday by Hon. William Atkinson. The initial shipment sold readily, and at prices held to be satisfactory. The Orient, generally, offers a large potential market for British Columbia canned fruit and vegetables, it is emphasized.

Tributes Are Paid—The Rotary Club will send its condolences to the relatives of J. S. H. Matson and Fred Parfitt. This was decided upon at the luncheon meeting of the club yesterday, following reference to the loss which had been sustained by the city in the death of these two citizens. Percy Watson, the president, referred to the fact that in Rotary service was exemplified in a remarkable way the principle of service to their communities.

Building Activity—The month of November is opening with some extent of renewed activity in building operations in Oak Bay. On Wednesday, two permits for new homes were taken out. One of these, for a stucco house estimated to cost \$2,700, was taken out by W. Young. The dwelling will be constructed on Victoria Avenue. The contractor is J. D. Brown. The other home is to be erected on Musgrave Avenue for Mrs. M. Paterson. It is also a stucco building, estimated to cost \$3,000, and is to be built by George F. Lowe.

Fellowship for Research Given
Royal Society of Canada Creates Ten With Gift of Carnegie Corporation

OTTAWA, Nov. 5 (CP).—Through the generosity of the Carnegie Corporation in setting apart \$75,000 for the purpose, the Royal Society of Canada has been enabled to create ten annual fellowships, each of the value of \$1,500 for a period of five years. The council of the society met this week in Ottawa under the chairmanship of Sir Robert Falconer, when a draft of the regulations for the fellowships was submitted and will be further considered.

These fellowships are designed to encourage among young Canadians of exceptional ability and promise in original research towards the advancement of human knowledge. They will be open on equal terms to men and women, and will enable them to carry on special work in their particular fields at world-famous institutions in various parts of the world.

A candidate will be expected to have obtained the degree of master of arts or its equivalent, or preferably to have completed a year's work beyond that degree. The fellowships will be open to students in each of the natural sciences as well as in history, anthropology, political economy, sociology and allied subjects, in French as well as in English.

The awarding of fellowships will be in the hands of a board created by the Royal Society of Canada from among its members.

City Temple Bazaar
The second of the two-day bazaar held by the Victoria City Temple yesterday afternoon and evening attracted many visitors, and a thriving business was done at the attractive stalls. Mrs. Gosse sang some delightful solos during the afternoon, and Miss Margaret Isbister played a number of piano solos. The Electric Ladies' Chorus gave great pleasure with their singing, and there was a vocal duet by Mesdames Williams and Hudson. Miss Mona Jewell's pupils appeared in dainty dances. In the evening, Mrs. Rendle sang, and Miss Florence Clough's pupils presented a number of clever dance numbers. Mrs. Langley acted as accompanist.

Daughters of St. George
Victoria Lodge No. 83, Daughters of St. George, met on Monday, the worthy president, Mrs. Skelland, in the chair. Final arrangements were made for the bazaar to be held on November 16 and the following stall holders appointed: Home cooking, Mrs. Tiller and Mrs. Parkinson; fancywork, Mrs. A. M. Harris; bran tub, Mrs. Muckle; house-house, Mrs. Quinn and Mrs. Bell; candy, Mrs. Williams; novelties, Mrs. Pettie; tearoom, Mrs. Berrett and Mrs. Porter; cards and contests, Miss Reid and Mrs. Southern; refreshments, Mrs. Willie; reception committee, Mrs. Skelland, Mrs. M. A. Penkerth and Mrs. Pitney.

St. Joseph's Auxiliary
The Junior Auxiliary of St. Joseph's Hospital met yesterday afternoon in the ladies' auxiliary room at the hospital, Miss Betty O'Brien in the chair. Misses Dorman, the secretary, read her report, and plans were made to convene the candy stall at the bazaar to be held in the Nurses' Home on November 12. The committee will include Misses Rhoda Goward, Alice Baines and Catherine O'Brien. Miss Elaine Robbins was welcomed as a new member, and two new members elected to the auxiliary were Miss Nan Hutton and Miss Ellen McKee.

St. Aidan's W.M.S.
The Autumn thanksgiving meeting of St. Aidan's W.M.S. was of unusual interest. Rev. O. M. Sanford gave a most interesting and comprehensive account of mission work in the northern part of British Columbia, particularly on the West Coast. Mrs. J. Travis delighted the members with her vocal solos and Miss Maguinn Daniels added much to the service with her pianoforte numbers. Other guests were Mrs. W. G. Wilson, Mrs. C. E. Bonley and Mrs. A. J. Daniels. Refreshments were served by Mesdames Jennings, Dawson and Beare.

St. Mary's Guild
St. Mary's Ladies' Guild, Oak Bay, has arranged to add a bridge tea in St. Mary's Hall on Tuesday at 2:30 o'clock, the proceeds of which are to help pay off the debt on St. Mary's Hall. Reservations for bridge and tables may be had by telephoning Mrs. Teasdale, E 8580, or Mrs. Barrowclough, E 9579. Visitors are cordially invited for tea at 4 o'clock, which is to be convened by the president, Mrs. Thornton Marshall.

Britannia L.O.B.A.
Britannia Lodge, No. 216, L. O. B. A., held its regular meeting at the Orange Hall, Courtney Street, on Tuesday evening. W.M. Sister Nicholas presided, with Sister Caldwell in the deputy's chair. All social arrangements were canceled owing to the death of Sister Gilson. P.W.M. It was decided the bazaar would be held on Saturday, December 5, at Hatt's Hall, Douglas Street.

Britannia Branch Auxiliary
The Ladies' Auxiliary to Britannia Branch will hold a meeting on Monday next, November 9. The time and place will be published in Sunday's Colonist. The reason for this meeting is the official report of the committee which investigated certain phases of the Ladies' Auxiliary to Britannia Branch. As far as possible all members' good standing will be notified by mail.

Willing Workers' Tea
The Willing Workers' Circle, King's Daughters, will hold a silver tea on Saturday afternoon from 3 to 6 o'clock in the Rest Rooms, Hubben-Bone Building. The members, all of whom are juniors, have spared no effort towards making the afternoon a great success and the funds will go towards Christmas cheer for the children whom they are helping to support.

Chapter Buys Poppy Wreath

To encourage and assist with the Poppy and Armistice Day campaign, the Sir James and Lady Douglas Chapter unanimously voted, at its meeting held yesterday afternoon, to purchase a \$25 poppy wreath, which is to be placed in Municipal headquarters until November 11, when it will be presented at the War Memorial during the Armistice Day service, and later returned to the headquarters.

TO ATTEND SERVICE
Members were asked to attend the service to be held in Parliament square on Wednesday, November 11, at 10:45 a.m., also at the memorial service in Christ Church Cathedral on Sunday, at 3 p.m. The chapter made the usual donation of smoke to the Guild for Sailors; for the lighthouse shower yesterday, to which the chapter received an invitation and was represented by the regent and several members.

The report of Municipal Chapter was given and the chapter unanimously approved the plan to move into larger quarters on the second floor of the Union Building, where the next meeting of the Municipal Chapter will be held on November 26, at 7 p.m. The report of the semi-annual meeting of the Provincial Chapter at Duncan on October 14 was given by Miss Josephine Crease, and a report of Girl Guide work was also given.

COMMEMORATE BIRTHDAY
The chapter will commemorate the birthday of British Columbia, as in former years, on November 19, on which date in 1858 the jurisdiction of the Crown over the Mainland was asserted by Governor Douglas, who was on that date sworn in by Mr. Justice Cameron as Governor of British Columbia.

This year the commemoration will take the form of a bridge tea, which is to be held in the afternoon, at Spencer's tearooms, players being asked to be in their places by 2:30 o'clock and to bring their cards and pads. A novel method of allotting the prizes will be introduced at the conclusion of play, when the numbers will be pooled and drawn for from the ten highest and the ten lowest numbers for the two "highest" and two "lowest" prizes.

The committee in charge of arrangements comprises Mrs. T. B. Monk, 968 Heywood Avenue, and Mrs. S. W. Walker, 1613 Monterey Avenue, to whom application for tables should be made. Tea guests will be welcomed at 4 o'clock.

The petition for world disarmament by international agreement was circulated at the meeting and signed by members.

Concert Proves Popular Event
The concert and dance at the Connaught Seamen's Institute, sponsored by the James Bay Women's Auxiliary Branch, to Christ Church Cathedral, on Wednesday evening, was well attended.

Rev. E. W. P. Carter was chairman, and the artists taking part were Madame Bella Dobree, pianist, who also proved a skilled accompanist; Mrs. J. Merrick, soprano; George Tate, violinist; Miss M. Freeman, contralto; Mrs. A. C. Lemon, vocalist; Henry Maunsell, elocutionist, and Miss Margaret Gillies, pianist.

The programme was arranged by Mrs. A. C. Lemon, and following

tion of the Crown over the Mainland was asserted by Governor Douglas, who was on that date sworn in by Mr. Justice Cameron as Governor of British Columbia.

Feminine Celebrities in the Public Eye

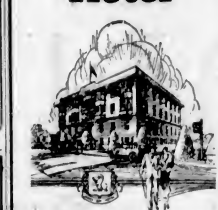

WHEN people think of traveling, the South Seas always spells romance and adventure. Raquel Torres (No. 1) poses in Hawaiian costume to suggest blue shadows and a white moon glimmering through black palm fronds. No. 2 shows Mr. and Mrs. Wesley Ruggles (nee Judge), representatives of the movie colony, who are honeymooning in British Columbia. In No. 3 we see Marjorie King making an impression on the sands of a Southern beach. The upkeep of these beach shows is negligible, but, of course, there is the initial cost.

Shower Held

The Pas-a-Pas Young Women's Association of First United Church met recently at the home of Miss Maye Thomson, 1770 Dallas Road. The meeting took the form of a double shower, for Miss Winnie Ferriman and Miss Mollie Kirk, two members of the club, who are each to be married early this month. The gifts were presented in two prettily decorated baskets, carrying out the "Hallowe'en" colors. Those present were Mrs. G. McKillop, leader; Mrs. N. Grant, Mrs. C. Mills, Mrs. G. Crook, Mrs. W. Wilson, Mrs. A. Bell, and Misses W. Copeland, M. R. Thomson, F. McDougall, W. Ferriman, M. Kirk, I. Easton, G. MacKay, M. Warnock, M. Dixon, H. Dixon, J. Dray, W. Sheret, D. Lea, E. Smith, E. Cullingford and J. Ridgway.

Linen Shower

Mrs. and Miss Saddle entertained at a delightful linen shower, held at their home, in honor of Miss Margaret Hall, a bride-elect. The reception room was tastefully decorated in mauve and yellow, and the many lovely gifts were concealed in a miniature canoe. The invited guests included: Messdames Saddle, Hall, Davis, Stinger, Harris, Holland, Appleby, Cave, Smith, Roger, Hutchinson, Palmer, Uren, Merrick, and the Misses M. Hall, A. Roger, C. Saddle, F. Chiswick, K. Hutchinson, I. Uren, P. Pooley, I. Allen and M. Street.

Married in Kamloops

Mrs. F. E. Winslow and Mrs. F. B. Gregory have received word of the marriage in Kamloops on Tuesday of their cousin, Katharine Sobrina, daughter of the late Mr. H. L. Johnson and Mrs. Johnson, of St. David Street, Victoria, to Mr. William Desmond Comond Vickers, son of Colonel and Mrs. H. R. Vickers, of Kamloops. The bride wore a gown of dark brown crepe de Chine and had to the bride a large school here for a number of years, and has many friends in Victoria. Mr. and Mrs. Vickers will live at Kamloops.

Bridge Party

An enjoyable evening was spent at the home of Miss Mary Burnett, Grosvenor Road, when she was hostess to the Ace High Bridge Club. The prize winners were Mrs. J. O. Jones and Mrs. E. B. Sheate, while the consolation went to J. Hutchinson and E. Zellinsky. Those present were: Mrs. J. Burnett, Mrs. F. Hutchinson, Mrs. J. O. Jones, Mrs. E. Sheate, Mrs. E. Zellinsky, Mrs. M. Hutchinson, L. Weeks and E. Zellinsky. The next meeting of the club will be held at the home of Miss M. Hutchinson, 546 Elliot Street, on Monday evening.

Sevens of Thirty Club

The members of the Sevens of Thirty Club entertained their friends at an informal dance at the home of Miss Madeline Wallace on Wednesday evening.

AGNES MACPHAIL ARRIVING TODAY

First Woman Elected to House of Commons at Ottawa Will Address Two Meetings Here

Miss Agnes Macphail, Member of Parliament for Grey, Southeast, in the Dominion House of Commons, arrives in Victoria today and arrangements have been made for her to speak at two meetings, on a subject that is today one of wide interest, "Canada and the Disarmament Problem."

This afternoon, at 2:45 o'clock, she will address a meeting of the Women's Canadian Club at the Empress Hotel, and at 8 o'clock this evening she will speak at a meeting in the City Temple, North Park Street, under the auspices of the Victoria branch of the League of Nations Society. At these meetings, Miss Macphail, who is a talented speaker, will undoubtedly give some information concerning the coming disarmament conference proposed to be held in Denmark next February. If held, it will be one of the first world conferences of its kind.

Born in Grey County, Ontario, Miss Macphail took a Normal school course after completing the Collegiate Institute course, and taught for some years before she was nominated, in the general election of 1921, as Parliamentary representative for the United Farmers' party for Grey, Southeast. She was elected with a good majority, and in 1925, 1926 and 1929 was re-elected, being the first woman elected to a seat in the Canadian House of Commons.

In her present visit to the West she is speaking under the auspices of the Women's Canadian Clubs and the League of Nations Society. Tonight Very Rev. C. S. Quinlan, president of the latter society here, will preside.

FAMILY TRADITIONS STAND OUT

Foster's Fur Store, which has been doing business in Victoria for over thirty-five years, for now owned and controlled by Mr. A. E. Alexander, Mr. Alexander is a furrier who is known from coast to coast. All his lifetime he has been a furrier, and his father and grandfather were all furriers of high repute in England. A brother of his at present operates fifteen retail fur shops in Canada, and in England members of his family are operating a chain of twenty fur shops, scattered throughout the country. It is quite obvious that Mr. Alexander is no novice in the fur trade. You may rest assured that any fur garment you buy at Foster's is made from the best selected skins, and is made by only expert fur craftsmen under the supervision of Mr. Alexander personally.

CHOIR CONCERT

NANAIMO, Nov. 5.—A musical treat was given in the Odd Fellows' Hall on Wednesday evening, when St. Paul's Anglican Church Choir rendered the cantata "May Queen," composed by Sterndale Bennett. The programme was in two parts, the first being miscellaneous and the second part devoted to the cantata. The first part was contributed to by several outstanding vocalists and instrumentalists, who added greatly to the success of the concert.

The Life of Thomas A. Edison

By DAVID WILSON
(Copyright, 1931, by North American Newspaper Alliance, Inc.)

PART XVI
Thomas Edison was thirty-one when he invented the talking machine; he was past sixty when he perfected it.

In the years between, while he was changing the whole course of civilization with his inventions in other lines, while he himself was passing through the experiences of life, losing one wife, finding another, watching six children grow, he dabbled a little now and then with the instrument which first brought the world to his feet, but he did not give it concentrated attention.

At first, it will be remembered, the talking machine was used only for exhibition purposes, and returns were tremendous. Edison had turned out his patents to companies which paid him high royalties. The exhibition machine soon was converted into the nickel or penny device so popular for years in amusement parks and midway. This was a talking machine in a case. It played when money was dropped into a slot and was heard through tubes with rubber nipples on the ends for the auditor's ears.

Similar machines, also with the earphone attachments, were put out for home use, but their popularity was limited. The office dictating machine also was a comparatively early and profitable development. It was not, however, until Edison had almost completed his work on the electric storage battery that he went back to work in earnest on the talking machine. By that time his basic patents had expired and competition was in the field. The morning glory horns of many brands of talking machines were seen in parlors more and more. Rivals began putting out disc records instead of the cylinders Edison still used.

ORGY OF WORK
Some years before, Edison, dissatisfied with the operations of companies making and handling his machines, had taken back control of the business and established a plant at West Orange, N.J., for manufacturing machines and records. Now he moved into another of his typical orgies of effort. For five weeks experimentation went on constantly. A whole staff of assistants worked with Edison. They slept in odd hours, and ate when they could. Edison did most of his sleeping in those five weeks on a roll-top desk.

Out of the "orgy" Edison came with his unbreakable record with which to fight the fragile disc of rivals; with the cabinet machine to replace horn models, and with the

famous diamond-point reproducer. The factory began to hum. Machines were turned out by the thousands, and this enterprise was one of Edison's most profitable until the advent of radio.

Edison himself might have brought the radio into existence; he was on the verge of the actual discovery of wireless telegraphy frequently in the years just before and just after the talking machine came into being. Radio was one of the few big things he missed when it was within his grasp.

As early as 1875, even before the Menlo Park days, Edison, in his Newark laboratory, produced mysterious sparks under conditions which led him to suspect that electric waves moved through the atmosphere somehow without the aid of wires. He made careful notes on a whole series of experiments with what he called "etheric force," but he did not develop his discoveries, for he saw no immediate practical application.

BIRTH OF RADIO
In 1888 Edison filed applications for a patent for "electric telegraphing or signaling between distant points." The patent was granted in 1891. Meanwhile, in 1886, Edison had made practical use of the idea on a small scale for what came to be known as the "grasshopper telegraph," designed for sending and receiving messages from moving trains.

This was simple in principle. An operator on the train, using an ordinary key, dispatched electrical impulses, dots and dashes, which were carried along a copper band on the top of the car. By induction, these impulses transferred to a wire like an ordinary telegraph wire stretched along the tracks, and thus were received at regular railroad telegraph stations.

The device was tested successfully on the Staten Island Railroad and was installed by the Lehigh Valley Railroad. But Edison sold his patents for the grasshopper telegraph, as he wrote some years later, "to a very wealthy man, and he would never sell any rights or answer letters. He became a spiritualist."

Thus a time-saving and valuable device which otherwise probably would be in operation on every train today was kept from use. During his experiments with the grasshopper telegraph, Edison succeeded in sending messages 500 feet between kites. But, as his patent application shows, he was working wholly on the induction theory. As he conceived this type of "wireless," it could be used "for great distances" at sea, but on land could be used only from towers high enough to avoid interference from trees, houses and the curvature of the earth.

MARCONI BUYS PATENT
Had Edison ever put together his 1875 experiments in etheric force, and his 1888-86 experiments in telegraphy by induction, he would have beaten Marconi to wireless; for he must inevitably have realized at once that if waves of electricity could pass through the free air without wires, telegraphic impulses could be transferred directly, instead of by induction, between distant points.

As it was, Edison's induction wireless patent was found by Marconi to be worth purchasing in 1903, so Edison got a little money out of it, and thus, in his own philosophy, justified the time spent.

It is amusing to think that Edison, in 1885 or 1886, been less preoccupied with the perfection of electric lighting, or had just happened to glance at the notebook containing his notes on etheric force, wireless and radio might have been developed a decade ahead of their actual advent.

Tomorrow—Edison's work in the World War.
MAKES THREAT TO CANCEL LICENSES
Port Alberni Magistrate Gives Warning of New Treatment of Negligent Drivers

PORT ALBERNI, Nov. 3.—In police court yesterday morning Magistrate Gordon Campbell gave warning that in future he will take under consideration the matter of canceling motor drivers' licenses when the evidence shows gross negligence on the part of the driver.

"In these hard times some of the more reckless drivers think that if they cannot pay a fine the court will not sentence them to imprisonment, as it will entail the city in costs. Such is not the case. But there are certain cases where a fine entails a greater hardship on the family than it does on the accused, and the wife and children are the ones who suffer. The proper course may be to recommend to the superintendent that the driver's license be canceled. I personally think that this is a far greater punishment than a fine, for, if a driver is unable to drive a car without endangering the lives of others, he should not be driving at all. A motor car when handled recklessly is just as dangerous an instrument as a gun. During the past two months no less than six persons in this city have received hospital and medical treatment as a result of careless driving."

The magistrate enforced his warning when he sentenced Auger Hansen to a fine of \$16 and canceled his driver's license.

"The train is early today."
"Yes, we had the wind behind us."

WILL TRAVERSE ROBINSON CASE

Assize Judge Unable to Interfere With Attorney-General's Ruling

VANCOUVER, Nov. 5.—In spite of the plea of Earl E. Robinson's counsel for trial at the present Assizes, Mr. Justice Gregory, in Assize Court yesterday, announced that he would not interfere with the prerogative of the Attorney-General, who has arranged to traverse Robinson's case to the Spring Assizes.

The accused was committed for trial recently on a charge of stealing \$15,000 from the city of Vancouver while employed as police court clerk.

HAS NO MONEY
"Robinson has no money and he cannot get a position with this charge over him," said Gordon S.

Wisner, counsel for the accused. Mr. Wisner asked the judge to present the indictment against Robinson to the grand jury, now sitting.

The accused, according to his counsel, was born here, was employed by the city twenty-seven years, and now has no money. "How is he going to exist for the next four months?" asked the lawyer.

"The Attorney-General has charge of the administration of justice," replied the judge. "If there was an attempt made by an Attorney-General to prevent an indictment being laid, so as to become a public scandal, then the law which you cite would apply. Usually the Crown is entitled to one traverse."

NO SCANDAL ATTACHED
"I don't think it is a matter for me to deal with; no scandal is attached to it. It has been a long sitting now, and it seems to me it would be an interference with the duties of the Attorney-General to say when the trial should be."

His Lordship added that he would give Mr. Wisner an opportunity to telephone the Attorney-General and make his application to him. In the meantime the grand jury will be held.

MARIGOLD HALL TRUSTEES NAMED

Sanich Ward Four Ratepayers Create Community Centre—Officers Elected

A board of trustees was appointed at a meeting of Sanich Ward Four ratepayers Wednesday to take over the Marigold Hall and operate it as a community centre.

The committee comprises two members from the Garden City Women's Institute; two members of the Ward Four community; three members of the Ward Four Ratepayers' Association; and the president and secretary of the Ratepayers' Association.

Following this meeting the regular meeting of the Ward Four Ratepayers' Association was held and officers for the ensuing year were elected.

Election of officers resulted as follows: President, R. A. Stott; vice-president, C. T. Cudmore; secretary, Mr. Jackson; executive committee,

W. Lynn, K. Hine, J. Warnock, H. Holmes and H. Redman. School Trustees William Tones and H. I. Briggs outlined the work carried out this year by the school board, with particular reference to the building of the three new high schools.

That Body of Yours

By James W. Barton, M.D.

INFANTILE PARALYSIS

As that dread ailment, infantile paralysis, is still prevalent, parents should be careful not to neglect any childish sickness, because early treatment means recovery in most cases, without any lasting deformity. Delay in calling the physician or in recognizing the ailment may mean the loss of a precious limb or a lasting deformity.

Dr. R. H. Riley makes a plea for the early recognition of the ailment, and immediate hospital treatment with the use of the serum and careful after treatment.

When a patient, especially a child, appears greatly prostrated and yet the temperature is not very high, it is rather a suspicious sign and infantile paralysis should not be forgotten.

With this ailment the face is flushed and has an anxious expression, the throat is red, the pulse rapid, the head tilted on the neck, the back stiff and sore, pain when the body is bent forward. The physician when called will immediately inject the serum and drain some of the fluid from the spinal column.

Parents naturally do not want injection of the serum and the withdrawal of the spinal fluid. The case is not really infantile paralysis, but as Dr. Riley points out, no harm results from the use of the serum, and it is better to be on the safe side than to take a chance of it being infantile paralysis.

The treatment of this ailment under proper conditions, and the hands of competent persons, reveal that between seventy and eighty per cent of the cases show good recovery as compared with twenty per cent receiving less competent treatment. Parents need not worry about the

EDNA CARTER never forgot the great lesson of courage she learned in childhood. In a small hill cabin—cut off by howling winds and driving snow—the twin mysteries of birth and death visited together—the little new life and her mother's life flickered out like candles. Watching her father's grief—Edna learned to be brave and strong in the face of tragedy.

She blossomed to glorious womanhood—and then met Gerald Barnes—the only man in the world for her, she knew. Their love was like a song of joy—and after a dazzling courtship they were married. Then Gerald began to be away—on business trips, he said—and she, trustful—had no suspicion of the truth. Till the day broke when no Gerald returned—and fear clutching her heart—she went to find him.

What was her grief and stupefaction—to find in the home of another woman—her husband's portrait in wedding clothes—his features in a strange child's face! Should she tell this other faithful wife that Gerald had betrayed them both—warp another life as hers was warped?

Fate sounded ominous drums—Tragedy stalked again—and unexpected Sorrow stunned them both! How Edna emerged victorious—triumphant—and won to peace and happiness is told in HER STRANGE WAY OUT—a true-life story that will thrill and move you! TO SEND GIFTS TO LIGHTHOUSES

Annual Shower and Tea on Behalf
of Lighthouse Keepers' Christ-
mas Boxes Held Yesterday

The auxiliary of the Connaught Seaman's Institute held its annual shower for the lighthouses yesterday afternoon in conjunction with the usual tea. The affair was well attended and the customary generous supplies of books, magazines, woolen garments, toys for the lighthouse-keepers' children, Christmas, candles, nuts and fruit were found among the big collection of gifts. These will be packed during the next week or so and dispatched in good time to reach the remotest stations well in advance of Christmas. Several cash donations will be devoted to the purchase of articles which have been requested or which are known to be much needed.

During an interval in the delightful programme which was given at tea-time yesterday, Mrs. W. R. Sayers, at the request of the president, Mrs. Alice Thomson, gave a brief summary of the work which has been accomplished through the institute during the past year. A total of 416 seamen and sailors had registered at the institute, including 352 apprentices. Of the 523 men who had slept there during the year, 223 had had their beds free, and hundreds of free meals had been served; 684 letters for seamen had been redelivered from the institute; 228 ships had been visited, and 432 bundles of literature had been sent to the ships.

Captain Walter Brown testified to the men's appreciation of the comfortable rooms while in port. The hall was attractively decorated yesterday, and the programme, arranged by Mrs. Claudet, included numbers by the following: Mrs. G. Downes, recitation; Captain McGraith, vocal numbers; A. Jones, flute selections; and Mrs. Claudet, vocal selections. Major Watt was the accompanist. For the next few days, it was announced, any further contribu-

Piano Recital At Brentwood

BRENTWOOD BAY, Nov. 5.—A successful piano recital was held at the home of Mrs. Lorne-Thompson, Brentwood Bay, when some of the pupils of Mrs. J. J. Young presented a programme which showed the splendid progress made by the students. The success of the pupils who won certificates at the recent examinations of the Associated Board of the R.A.M. and the R.C.M., reflected much credit on the teacher.

Mrs. H. C. Oldfield presented the certificates to the successful students as follows: Patricia Young, higher division; Muriel Sluggitt, elementary; Wilbur, Ambrose and R. Butler, primary.

Those taking part in the programme were as follows: Bobby Spooner, Nora Chipperfield, John Young, Dorothy Sluggitt, Wilbur, Ambrose, Joyce Thompson, Muriel Sluggitt, Eileen Young, Patricia Young, Lois Spooner, Betty Young and Herbert Oldfield. The reception rooms were decorated for the occasion with autumn flowers and greenery, and after the recital the hostess, assisted by the girls, served refreshments.

Those present were: Mrs. H. C. Oldfield, Mrs. R. Carrier, Mrs. R. W. Sluggitt, Mrs. F. Sluggitt, Mrs. H. Young, Mrs. L. Thompson, Mrs. J. Thompson, Mrs. C. Hamilton, Mrs. W. Ambrose, Mrs. C. Butler, Mrs. M. Kelly, Hope, Shirley and Philip Sluggitt, Dick Oldfield, Kenneth Thompson and Tommy Butler.

WEST VANCOUVER SELLS TAX LANDS

British Syndicate Plans Development of Large Area—Ratepayers Must Approve Proposal

VANCOUVER, Nov. 5.—The West Vancouver Council signed an agreement today for an ambitious development scheme for that municipality. Four thousand acres of tax sale lands have been sold to a wealthy British syndicate, and a by-law approving the deal will be submitted to the ratepayers.

A substantial boulevarding and residential development is planned, and the council hopes that within a month arrangements will be made for construction of a bridge across First Narrows to match the plan for landscaping the magnificent district beyond.

Specifically, the deal provides for sale of a strip of land ten miles long, starting almost from the Capilano River, running west almost to Whistler.

WILL SPEND MILLION

The British group will pay \$75,000 cash and agrees to spend \$1,000,000 in development within five years.

The lands involved are contained in a strip starting half a mile from shore and running parallel with the beach. The property lies beyond the present line of residences and stores which through the waterfront area. In altitude it starts at 500 feet above sea level and runs back to the 1,700-foot line.

The whole area is capable of being laid out in splendid contours; in fact, landscape artists regard it as one of the finest potential residential sites to be found anywhere.

TO PRESENT PLAYS

Metropolitan Young People's Society will present its annual Winter plays on Thursday and Friday, November 12 and 13. "The Recluse" is a comedy with the following taking part: Misses Lillian Smethurst, Helen Sweetland, Genevieve Knapp, Florie Smethurst, Mrs. Edna Atkins and Mr. Bert Simpson. This comedy was first presented in New York City, where it was well received. "Rosette" is also a comedy with the three characters being acted by Misses Betty Jones, Ivy Butler and Donald McCall.

Colquitz

Mrs. Frank Davidson, of North Bend, Wash., is visiting Mr. and Mrs. John Greenwood, Burnside Road.

Mrs. A. Burnett, with her daughters, Vera and Doreen, has returned from a visit to her former home in Aberdeen, Scotland, and will take up residence on Glyn Road.

Mr. and Mrs. Dave Barker, of Vancouver, have returned home after visiting relatives in Victoria and vicinity.

Mrs. C. H. Griffin, Wilkinson Road, entertained on Wednesday evening at a delightful kitchen shower in honor of Miss Ena Griffin, of Glenford Avenue, a bride-elect. The room was effectively decorated in a color scheme of green and gold, and as the bride-elect entered the room to the strains of the Wedding March she was presented by little Shirley Griffin with a beautiful bouquet of roses and carnations. After the many useful gifts had been opened and admired, a social time was spent. A buffet supper was later served by the hostess, assisted by Misses Ena and Flo Griffin. The invited guests included Mesdames W. H. Griffin, Carey, Marconini, Hogg, Davies, Wood, Bryant, Johnston, Hawkins, Alcock, Shaw, W. H. Griffin Jr., Randall, Northman, and Misses Ena Griffin, Madge Marconini, E. Hurlford, Cambrey, Carmichael, Davies, Hawkins, E. Rogers and L. Northman.

Saltspring Island

Miss A. Royal, of Ganges, is visiting Vancouver as the guest of her nieces, Misses M. and L. Cartwright.

After a two weeks' visit to Ganges, where he has been visiting his parents, Mr. Gordon Best will leave the island on Saturday, sailing for England on November 13.

Mr. Harry Newman, of Bourne-mouth, has arrived from England. He is paying an extended visit to the island and is the guest of his cousin, Mrs. Harold Price, of "Mermaid."

Mr. and Mrs. H. W. N. Moorhouse, of Victoria, and their two children left this week, after a few days' visit to Mr. Moorhouse's mother at Ganges.

Col. A. F. M. Shaw, of Victoria, is the guest of Capt. and Mrs. V. C. Best, of "The Alders," Ganges.

Mrs. Edward Cartwright, of Vancouver, is the guest, for a week, of her brother, Mr. J. Royal, of Ganges.

Mr. Aubrey Bastin, of Sanichon, returned home on Wednesday after two months on the island as the guest of Mr. and Mrs. Harold Price.

Mr. Walter de Preghian, of Halbury, England, is visiting the island during his year's absence from business in South America. He is the guest of Mr. and Mrs. J. Royal.

IMPORTANT GRID GAMES BILLED TO MORROW

College Fifteen to Meet University in Intermediate Rugby

Craigdarroch Lads to Clash With School at Mount Tolmie Tomorrow—Brentwood Meets Scottish, While 5th Faces Oak Bay Wanderers

Victoria College vs. University School, Mount Tolmie grounds. Brentwood College vs. Canadian Scottish, at Brentwood. Fifth Brigade vs. Oak Bay Wanderers, at Oak Bay Park.

Above is the menu of intermediate Rugby fixtures which will be served tomorrow afternoon. All games will commence at 3 o'clock and great interest is centered around each tussle, as the squads are running neck and neck in the gallop for the first half championship of the league.

The Craigdarroch lads will be after their fourth straight victory at the expense of the Mount Tolmie aggregation, while Brentwood hopes to chalk up their third win in succession with the Canadian Scottish as their victims. Oak Bay Wanderers will have their hands full when they take the field against the strong 5th Brigade squad, who while-fashed the Scots last week for their first victory.

TRAINING HARD

University School has been training hard with hopes of shattering

College's winning streak. During the past four seasons the blue and gold colors have only gone down to defeat once in league fixtures, a record which will probably never be equalled. College will be without the services of Lynn Patrick, their line-smashing speedy three-quarter, who will be playing Canadian Rugby against Varsity. Despite the loss of his services, the league champions are confident of continuing their great undefeated record.

Brentwood is favored to defeat the Scottish on their home grounds. The troops are taking a strong fifteen for the battle with hopes of handing Brentwood their first setback in the schedule. The 5th Brigade-Wanderers fixture, at Oak Bay, will probably hold the spotlight, as both squads are evenly balanced, and a gigantic struggle should result. The feature game of the first half schedule is expected next week, when Victoria College march on the Victoria High School field to battle Brentwood. This fixture may decide the half titleholders, except, of course, that a few upsets creep into the remaining games.

GARRISON TO MEET DUNCAN

Teams Announced for First Division Badminton Clash Tomorrow Evening

Two powerful teams will step on the court at the Armories tomorrow evening to usher in the 1931-32 season in the First Division in the Lower Island Badminton League when the Duncan aggregation clashes with the Garrison. The match will start at 7:30 o'clock, and some close games are expected before the winners are declared.

The "Up-landers" are bringing down their strongest team with hopes of victory. The squads, as announced yesterday, follow: Duncan men—Eric Leney, Alfred Bazzett, A. Drom, T. Bazzett, A. Bazzett, and J. Appleby. Duncan women—Miss Ullrich, Miss Rose Birch, Mrs. Sheridan-Rice, Miss N. Blythe, Mrs. H. M. Ansell and Miss W. Dawson. Garrison men—Drennan Hicks, Hugo Raymond, R. Hocking, Major J. N. Gibson and H. S. Platt. Garrison women—Miss Mona Miller, Miss F. Oates, Miss H. Nicholson, Miss M. Pitts, Mrs. J. N. Gibson and Mrs. E. Quinlan.

THREE HOOP GAMES WILL BE PLAYED AT SAANICHTON TONIGHT

Three basketball games will be played at the Municipal Hall, Saanichton, tonight in the newly-formed Saanichton Suburban League. Luskton and Keating girls will meet in the opening game at 8 o'clock and will be followed by Keating and Luskton Intermediate "B" boys' team under nineteen. The feature game will bring together Keating and West Road in a senior "C" fixture. H. Tubman will referee all games. A dance will follow.

Some line-ups follow: Keating Girls—Vera Handy, Alice Ryan, Nellie Aymes, Connie Johnston, Mary Peden, Ona Young and Ann Chestworth. Keating Intermediate "B"—Ed Oakes, Percy Hamilton, Eric Ryan, Dennis Ryan, Edward May and Alice Gunn. Keating Senior "C"—L. Ryan, G. Mitchell, B. Bale, P. Atkinson, C. Cunningham, W. Atkinson, W. Tanner and W. Bale. West Road Senior "B"—S. Jickford, A. Bickford, P. Lannon, W. Bluggett and C. Sluggert.

BUYATS NOSE OUT NANAIMO 25 TO 24 IN HOOP FIXTURE

NANAIMO, Nov. 5 (AP).—In the local gymnasium last evening the local basketballers were defeated by Buyats, Victoria basketballers, by the close margin of 25-24. The game was won by Buyats through the efforts of Patrick, who looped the last counter of the game into the basket just as a second before Timekeeper Kelly sounded the last whistle.

In a preliminary game the local Intermediate Advance proved a little too much for the Mosquitoes, winning out by 13 to 11. In the girls' game the blue-clad Pals too fast and heady for the local Eka's girls, the former winning by 19 to 8. Tom Lewis refereed.

French Government

To Advance \$12,000

To Olympic Athletes

PARIS, Nov. 5 (AP).—The French Government has decided to advance approximately \$12,000 to defray the preliminary preparations of a team to represent the country at the Olympic games at Los Angeles next year.

Supporting circles were greatly encouraged by the decision, although additional funds must still be voted by Parliament. French wine-growing districts are also insisting that the United States be asked to permit the French athletes to bring wine with them on the ground it is a necessary part of their training fare.

Victoria Golf Club Scores 13-7 Victory Over Colwood Golf Teams

MRS. PHILBRICK DOWNS MRS. SAYWARD-WILSON

With their "A" and "B" teams coming through to victories, the Oak Bay Club captured the coveted Sayward Cup yesterday afternoon by defeating the Colwood aggregations in the second half of their annual interclub fixture by a 13-7 score.

Playing at the difficult Colwood layout, Oak Bay's "A" squad managed to squeeze through to a 5½ to 4½ win after some close matches, while the "B" team were at home at the Oak Bay links and scored a 7½ to 2½ victory.

Mrs. B. R. Philbrick gave Oak Bay its greatest triumph of the day when she defeated Mrs. Sayward-Wilson in the feature match in the "A" team tussle after a dingdong battle. Mrs. Sayward-Wilson, holder of the city, Oak Bay and Colwood crowns, fought hard against the veteran Oak Bay ace, but dropped a close decision.

Leo Lomski Tells of Title Bout With Tommy Loughran

Injured Arm Had Aberdeen Boy in Great Pain During Light-Heavy Championship Bout—Well-Known Fighter Has Words of Praise for Victory

By LEO LOMSKI

Contender for the Heavyweight

"I have been at the top of the heap in the light-heavyweight division and now I am definitely my way to the top of the heavyweight class of boxers and I think I will eventually be the champion, the great and logical position that all boxers look forward to from the time they start to box until they are all through and have laid the gloves on the shelf for good.

"A great many people have asked me since my journey in Victoria why I lost the fight with Tommy Loughran in 1928 in Madison Square Garden in New York? Why I lost that fight on points to Loughran has no mystery, because a contender for any championship must almost knock his opponent out in order to wear the purple robes of ringdom.

SCORED KNOCKDOWNS

"I knocked the light-heavyweight champion down in the first and third rounds, and believe me I thought that I had that crown on my head at each of those times, but Loughran always came up to his feet at the count of nine. Then in the fourth round I led with my left and came back with a right cross, and Loughran stuck his elbow out and my right struck it, and from then on my right was useless as far as fighting was concerned. After the fight I found that a small bone was broken and that was what caused all the swelling in my right forearm. When my arm struck his elbow I thought that a million needles had been stuck throughout the bout, although I never let my opponent know what my injury was.

"My right hand has always been a good one, but I used the old left to perfection that night. I always thought that I had won that fight through aggressiveness, but I guess you had to knock them cold to get to the top. For several years I was rated even ahead of the champion in the light-heavy division and if I had been given another shot at the crown I think that I would be wearing it today.

"Of course, with my increased weight now, but I know that

I would be a beautiful and restful and no one seems to be in such a hurry that he can't stop long enough to give directions regarding the location of your stores, parks and show places. With my wife and youngest son, David, who accompanied me on this trip, I have been to nearly all of your show places and believe me I have something here that only one city in a million has. We are all enthusiastic about Victoria and we want to come back here soon, whether I fight here again or not.

RECEIVES MANY OFFERS

"Offers have been pouring into me since my recent win over Les Kennedy, popular California heavyweight, in Portland, and while I haven't accepted any of them, I will within the next few months. Leonard Sachs, business manager for Jack Dempsey, has wired me twice within as many days to accept a match with Jack in Kansas City, but I don't feel that I can take Jack for the money that they want to pay me there. Why should I fight Jack Dempsey in Kansas City for a sale of around fifteen or twenty thousand dollars when I can draw sixty to seventy-five thousand dollars in Portland with Dempsey? Answer that question for me and I will be willing to fight Dempsey at any time. No, I think that Dempsey will have to come to the Rose City to fight me and then I will be only too willing to enter the ring with him.

LIKES VICTORIA

"But to get away from fighting for the prize, I would like to express my appreciation to the people of Victoria for their courteous treatment of me as my family while I have been in your city. We have been treated like long lost friends instead of the tourist and we certainly appreciate every little favor done us.

Teams Well Bracketed In Local Cage League

Commercials in Front in Senior "A" Race—Standings of All Sections Released—Three Fixtures Billed at "Y" Gymnasium Tomorrow

With the end of the first half schedule still five weeks away the teams in the various sections of the Victoria and District Basketball League are staging merry races for the titles, according to the standings of the quintettes released yesterday by officials of the league. Great interest is centred

over the dash for the senior "A" crown in the men's section, as the Commercials and Buys are running neck and neck, only two points separating them.

The Commercials' victory over C.P.S. Wednesday, put them in front of the Buys by two points. A win for the Buys in their next fixture will bring the teams into a deadlock for a second time since the curtain went up.

"AND SO TO BED"
OPENING TONIGHT

Mimes and Masquers Will Present
Season's Opening Play at
Shrine Auditorium

The production of "And So to Bed" at the Shrine Hall tonight and Saturday brings to Victoria for the first time one of the greatest stage successes of recent years. This is the play which, on its first performance in 1926, took London by storm, and later had an outstanding success in New York. Traveling companies have played it to enthusiastic audiences in Montreal, Toronto and Vancouver.

Some of the most talented members of the guild are appearing in this play. Leslie Henson has the part of Samuel Pepys. Bert Bailey appears as Charles II. Emilia McConnan is admirably cast for the part of Mistress Knight, the singing woman and sings Pepys' song, "Beauty Retire," to music of her own composition. Alan King, another member of the cast, has also set to music some of the songs which enliven the play.

COLUMBIA Out of a cloud of dust a young, good-looking bandit appears and holds up the stage coach. A girl is kidnapped and a payroll stolen. She recognizes the thief as her sweetheart! What does he whisper to her as they ride through the canyon? What makes her forgive him as he goes off to the Bad Lands? See Bob Steele in "The Land of Missing Men," to be shown at the Columbia Theatre today.

PLAYHOUSE "Range Law," the latest of Ken Maynard's Western dramas, now showing at the Playhouse Theatre, presents the star in the role of an escaped convict, searching through the bad man's country for the criminal who had him framed into prison. Supporting roles to Maynard will be seen Frances Dade, leading lady, Frank Mayo, Charles King, Lyle McKee and Jack Rockwell.

DOMINION George Arliss, who is THEATRE now appearing at the Dominion Theatre in Warner Bros. "Alexander Hamilton," began his stage career more than forty years ago. "Alexander Hamilton," which Mr. Arliss wrote in collaboration with Mary Hamilton, and which was a great success on the stage fourteen years, presents rather the man Hamilton than the financial genius who established the credit of the new country, wrote its constitution and became the first Secretary of the Treasury.

COLISEUM "A Warm Corner," which introduces the famous English comedian, Leslie Henson, in a picture-goers, deals with a man named "Corner," who has made considerable money out of corn plantations, and who goes out to the Italian Lido to spend some of it and have a good time. Corner meets an old friend who induces him to enter into a flirtation with Mimi—a smart young thing already

BRITISH FILM WILL
APPEAR AT CAPITOL

Brilliantly clever in dialogue, acting, scenic photography and characterisation, the British International picture "Uneasy Virtue" which will be shown at the Capitol Theatre, starting Monday, is a demonstration of exceptionally high-class motion picture art. A delightful bit of comedy, the play is sparkling with complexities, intrigues and humorous situations. Fay Compton, the popular London star, excels in the role of the unhappy married wife. She becomes involved in an adventure with a handsome bachelor who secretly has flirtations with several of the ladies of the house party.

The screen version of the play is based on Harrison Owen's stage production, "The Happy Husband." The cast includes such outstanding artists as Edmund Breese, Francis Lister, Garry Marsh, Dodo Watts, Margaret Grahame, Donald Calhoun and Adele Dixon.

CHIC SALE PREFERS
A LITTLE LIVESTOCK

Chic Sale, who is featured with Walter Huston in "The Star Witness," the Warner Bros. production which comes to the Coliseum Theatre tomorrow, insists that the back yard of his new home in real estate Beverly Hills, shall have more than a touch of rustic simplicity. There is a chicken run, a high swing and teeter-totter for the children,

CULBERTSON on CONTRACT

by Ely Culbertson
World's Champion Player and Greatest Card Analyst

FORCE VERSUS TIME
Squeeze plays, so called, are frequently utilized by master contract players to make an extra trick or tricks, which his expert players would not make.

The principle underlying the squeeze is simple. It is only this: A player who is grinding two suits is forced, through the lead of a third suit, to lose control of one of them by a discard. Borrowing the nomenclature of baseball, this situation, which sometimes seems to make the impossible an actuality, is described by bridge players as a squeeze. The principle underlying the squeeze is bridge and the means used to squeeze a run across the plate are the same.

In today's hand the unhappy leader, who failed to open an ace against a slam bid, was forced, by means of the squeeze, to discard that ace on an established card in the hands of his adversaries.

1. North's inadequate trump support makes inadvisable an overcall in the suit bid by his adversaries. His partner cannot fail to realize that his hand is very strong, however, in view of his jump bid in no trump. Only the fact of the short spades makes a greater jump inadvisable.

2. South has six sure tricks in spades and the value of his four-card tenace suit in diamonds. His partner's bid has shown at least three and a half honor tricks with

Ran 2,000-Mile Foot Race

THESE Japanese runners have just completed the almost incredible feat of racing 2,000 miles on foot. Their starting point was in Korea, and they are shown bearing floral tributes in front of the Imperial Palace in Tokyo, where the race ended. Toshiaki Kumizawa is at the left and Siegner Sone at the right.

And a goat, the only one in the exclusive confines of the town. "I like to have a little livestock around," says Chic. "We always had, back in Urbana." "The Star Witness" marks Chic's screen debut—as his famous Grandpa Summerell—a Civil War veteran, who on a forty-eight-hour leave from the Soldiers' Home—make things hum in a way to make drama, merriment—and some real heart stuff.

ROSS HAMILTON AS
"MARJORIE" RETURNS

Ross Hamilton, the celebrated "Marjorie" of the Dumbells, is one of the few fortunate individuals of their own, have been able to persevere their own obituary.

A little over a year ago a flash came through to Toronto saying that one R. Hamilton, of that city, was dead in Kalamazoo, Mich. Ross Hamilton, who is now a Canadian actor, answering to the name of Hamilton, the natural conclusion was that it was he.

Ross was on an ocean voyage at the time, and it was not until he reached Halifax ten days later that the report was emphatically denied. Sadly missed in Canada for the past three years, Ross is again with more sharing stellar honors with the Dumbells come to the Royal Victoria the first three days of next week.

BREAKS FROM CUSTODY
AT POLICE STATION

VANCOUVER, Nov. 5.—Pat Monzo, arrested on a charge of vagrancy, made a successful break from custody at 2:30 o'clock this morning, today at the police station. He had been formally charged and was being escorted to the jail quarters in the upper floors of the building. As he and his guards were crossing the roundabout toward the elevator, he dashed through the front doors to Cordova Street.

LIFE'S CONTRASTS
At first we had the idea that they all looked as if a few days at our little bay would do them good; that we were to be envied, etc. You know the sort of feeling you had yourself when you got back from that sea trip to Europe or Hawaii, or that fine motor journey through Eastern Canada, or down to California.

It was Rover who showed me how I was wasting my sympathy—and my time. "They have all had their holidays, long ago, Master, their jolly slight better holiday than we have been at; I get, and most of them would turn their noses up at a few days in the country. They went to another collection of bricks and mortar, asphalt, and cement, and came back with new clothes and new records of speeding and new tales of extravagance, and new ideas worth while, but that they had a 'good time,' so we should worry!"

And that is just what we shall endeavor to try not to do! But we do think that as we continually realize that Vancouver Island is the finest pleasure ground on the continent, we should, besides buying at home, see that we know our own land as well as ever going abroad to spend our holidays on "the other side."

HOME'S HOME, AFTER ALL!
Oh! there are lands, Near or far lands, Where beauty reigns And flowers grow; But, Home is Home! However you roam, The best obtains Within stone's throw!

BURN MORTGAGE ON THE CHURCH

Coremony Marks Eighteenth Anniversary of Wilkinson Road Building

Celebrating the eighteenth anniversary of the present Wilkinson Road United Church, a large number of members and friends of the congregation gathered at the church on Wednesday evening for the anniversary supper. Rev. T. Keyworth, of Sidney, presided, and a programme of vocal and instrumental numbers was enjoyed during the evening.

An atmosphere of mystery which surrounded the church committee reached its climax when the play which had been announced to take place at 9 o'clock proved to be the burning of a \$2,000 mortgage which through the gift of \$1,700 from an anonymous donor, and the balance of \$300, which was raised partly from the proceeds of the supper and the balance by subscription, made it possible to free the church of debt.

Rev. Robert Wilkinson, of Vancouver, who was pastor at the time the church was built, was present, and after the ceremony congratulated the members on having reached their objective. When the church was built it was found necessary to raise a mortgage of \$4,500, and by continued effort the sum had been reduced to \$2,000.

Ministers and ministers' wives contributed during the supper hour by Mr. D. Phillips, while others contributed vocal, instrumental and elocutionary numbers were Miss Colbert, Miss Trevor, Miss Barr.

Mrs. McIntosh, Mr. Pym, Mr. Stovel, Rev. T. Menzies, while the accompanists for the evening were Miss Pringle, Miss Kinnaird and Mrs. Pym. On behalf of the W.A. Mrs. Campion presented a small gift to Miss Peggy Smith for having sold the largest number of tickets for the supper.

NEGOTIATE WITH POWER COMPANY

LADYSMITH Still Discussing Electric Supply Problem—Make Plans for Remembrance Day

LADYSMITH, Nov. 4.—The regular meeting of the city council was a featureless routine session. Negotiations with the Nanaimo Electric Light, Heat & Power Company have not progressed to any definite point.

Mayor Mason will arrange a suitable date for a further conference between the council and Mr. MacDonald, manager for the company, when the matter of bulk supply of power for Ladysmith will be thoroughly discussed. Meanwhile the city electric light committee is understood to have obtained expert advice on the company's latest proposal.

Arrangements for the Remembrance Day ceremony are completed. A detachment of the 16th Canadian Scottish will take part, and Rev. C. McDermid and Rev. G. Stevenson, Dominion chaplain of the Army and Navy Veterans in Canada, will conduct the service at the Cenotaph on First Avenue. Following the sounding of the "Last Post," city officials will place a wreath on the memorial.

Nanaimo Obituary

NANAIMO, Nov. 5.—The remains of Samuel Rogers, twenty-three-year-old son of Mr. and Mrs. Stephen Rogers, were laid at rest yesterday in the family plot in Nanaimo Cemetery. Services were held at the chapel, where two hymns were sung. The pallbearers were Tom Lewis, Joseph Steel, H. Norris, Fred McKenzie, J. A. Beggs and James Carson.

The funeral of Mrs. James Stewart took place yesterday from the Jenkins Chapel, with Rev. David Lister, of Vancouver, as officiating minister. The service was very impressive and two hymns were sung. Interment was in the family plot, Nanaimo Cemetery. The pallbearers were James Cowie, John Shaw, Alex. Fraser, William Inglis, Joseph English and Thomas Jones.

Salt Spring Weather

The Salt Spring Island weather report shows: Mean temperature 49.27; maximum, 56.93; minimum, 41.62; highest 65, on November 15; lowest, 35, on November 11; rain 2.46; clear days four; half-clear days, three; rest, cloudy and unsettled.

What Today Means

"SCORPIO"

If November 6 is your birthday, the best hours for you on this date are from 7:45 a.m. to 10 a.m., from 2:10 p.m. to 4:50 p.m. and from 8 p.m. to 10:30 p.m. The danger hours are from 11 a.m. to 1 p.m. and from 6 p.m. to 7:30 p.m.

November 6, according to the signs, will be propitious, peculiarly suitable for matters requiring a clear head. Those who own or who are interested in property or land will benefit. Unexpected profits will be made in business or a stronger position reached. Domestic relationships will be slightly disturbed, owing, chiefly, to trouble caused by women relatives.

A child born on this November 6 will be both whimsical and fickle. If you, if born on this date, are not a reformer, or to fill the position of critic of the world's affairs. You are content to take life as you find it, to get as much happiness out of it as possible, and to do your best in the position in which you find yourself. You are not a busybody, neither do you hold yourself aloof, for when your friends are in trouble, you are there.

with comfort or assistance; when success overtakes them, you feel genuinely glad and there is not a suspicion of envy in your spirit.

You are not much of a student of books. You are, however, in your own quiet way, a student of human nature. Only on rare occasions do you give voice to your opinions, and they are invariably cherished by those who hear them. You firmly believe that this old world is a pretty good place, and rarely, if ever, speculate on what the future has in store. Contentedly and happily, you do your bit and enjoy your life, and make it, as far as you can, enjoyable for others. Your home life promises to be permeated with the atmosphere of contentment.

ALIBI DEFENCE FAILS

VANCOUVER, Nov. 5.—Robert McKenzie, twenty-nine, alias Ian McArthur, was found guilty this afternoon by an Assize Court jury on a charge of bank robbery. He was remanded to the close of the assizes for sentence.

McKenzie was charged with the holdup of the Bank of Nova Scotia, 2725 West Fourth, on September 9, and obtained \$395.

The accused's defence was an alibi. He was identified by R. H. Urquhart, manager, and R. D. Westwood, employee of the bank, but he declared that he had been visiting friends at the time of the holdup.

Dr. Alexander Hendry, surgeon and physician to His Majesty's household at Balmoral, Scotland, since 1910, has been knighted by the King.

Empress of Canada
Taking Large List
Of Passengers OutSailing Tomorrow Evening for Far East Via
Hawaii—Emma Alexander In Early—
Several Freight Ships Call

When the Canadian Pacific liner Empress of Canada clears for Honolulu tomorrow evening at 6 o'clock, she will have a large number of passengers for the Hawaiian Islands port aboard. Among the residents of that city who have been vacationing in the United States and Canada are Mrs. F. Dixon, wife of the publisher of The Honolulu Advertiser; Mrs. J. M. Jamieson and her daughter, Miss M. Jamieson; Miss A. H. Parks, Miss E. C. Jordan, Miss Claire Noer, Mr. and Mrs. T. Loup, Miss P. Jewett, Mr. and Mrs. H. S. Cuddeford, Mr. and Mrs. C. Collett, Mrs. A. J. Fisher, Dr. and Mrs. C. B. Cooper, and Mrs. M. R. Phillips.

Other Honolulu passengers, who will visit the islands, include Miss E. E. Jackson, of Minneapolis; Miss D. W. Eikenberry, Mrs. C. W. Denia, Mr. and Mrs. Albert Schwaiger, and Mr. and Mrs. F. M. Calmes, all of Seattle. The majority of these travelers will join the ship here.

Prominent travelers for Oriental ports include Right Rev. W. C. White, veteran Bishop of Honolulu, returning from a holiday spent in Eastern Canada, accompanied by Mrs. White; Charles K. McLachly, publisher of The Sacramento Bee; Ernest E. Beckwith, export manager of Gillette Industries, London; F. W. Ward, official of the Sun Life Assurance Company, Canada; B. L. Lewis, prominent Manchester cotton magnate; Y. C. Mei, director of the Chinese Education Mission, Philadelphia; Very Rev. Dean A. C. S. Trivet, Shanghai; Mrs. V. M. Grayson, Victoria, with her two children, and A. W. Grinnett, Hongkong Government official.

AHEAD OF TIME

Experiencing favorable weather on the coast, the Pacific Steamship Company's liner Emma Alexander docked shortly before 9 o'clock last night from San Francisco, with passengers and freight for island and mainland ports aboard. She proceeded to Seattle at midnight.

Due to William Head about 6 o'clock this morning, the Canadian

Australian liner Niagara, inbound from South Sea ports, should be up at Rithet Piers shortly after 7 o'clock. It is understood that local cargo will not be unloaded before 8 o'clock. The liner has a small list of passengers this voyage, advance information states.

From San Francisco, the Kingsley Navigation Company's freighter Kingsley docked at Oden Point Piers yesterday morning at 3:30 o'clock and left two hours later for mainland ports.

For the United Kingdom, via Panama and California ports, the Donaldson freighter Gregalia arrived at Rithet Piers at noon yesterday, and after discharging local cargo, proceeded to Mainland ports shortly after 3 o'clock.

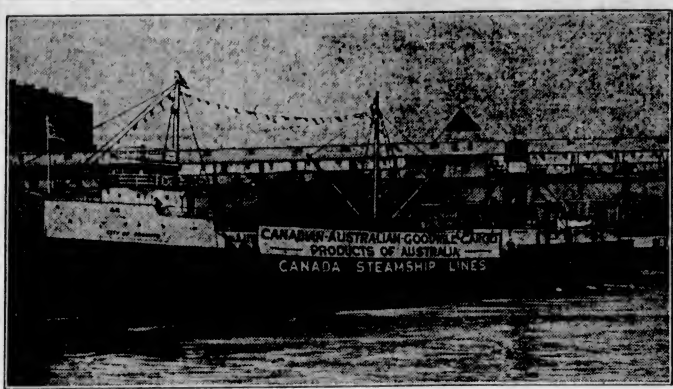

Loading lumber for the Atlantic Coast, the Canadian National freighter Canadian Winner was alongside Oden Point Piers yesterday morning. She left early in the afternoon for Alberni to complete.

DEVELOPMENT
SPECTACULARImperial Airways Trunk
Lines Multiply Rapidly in
Past Two Years

A ten days' service between England and Australia and inauguration of an air liner service right through to Capetown, were points of major interest in future development of British main air trunk lines mentioned by Sir Eric Geddes in his speech to Imperial Airways shareholders a few days ago.

The Australian service must wait for the easement of the present financial position, but it is significant

Australian Cargo Leaves Montreal

BEARING a good will cargo of Australian products, the Canadian Steamship Lines Ss. City of Toronto is shown leaving Montreal harbor for the Ontario capital, where an official welcome awaited her arrival. The holds of the vessel are packed with Australian merchandise, some of them appearing for the first time in Canada.

It is not that the company sees no difficulty in operating a regular ten-day time table, an acceleration of five days over the schedule adopted for experimental flights earlier this year. Eight new four-engine monoplane, styled the "Atlantia" class, which are now being built by Armstrong-Whitworth at Coventry will enable a reduction of at least one day in the journey to the Cape. These craft, stated Sir Eric Geddes, will cruise at about 120 miles an hour, improvements in design of recent years having been turned to increase of speed rather than the construction of machines carrying a bigger load. Further, the Atlantia planes, which are notable for their beauty of line and the unusual arrangement of the four air-cooled radial engines in nacelles streamlined into the front edges of the wings, are expected to resemble the new big Handley-Page and Short biplanes in being less expensive to operate than their predecessors on the airways.

PLANE EFFICIENT All of the company's new air liners, indeed, embody many important improvements in design and construction. They are much more efficient flying machines, than earlier types, they fly faster, and they carry a greater proportion of payload. Coincidentally they offer passenger accommodation which is not surpassed in comfort by the most luxurious Pullman railcar.

Figures quoted by Sir Eric Geddes about the expansion of British air lines show vividly how quickly the network is growing. In 1924, when Imperial Airways was founded, the company operated air planes over 1,760 miles of regular routes. In 1928-29 the total was still only 2,100 miles, but thereafter the advance has been rapid, even spectacular. In the following year the total leapt up to 6,400 miles.

This year the opening of the line to Central Africa has added another 2,400 miles, and the imminent extension to Capetown will soon bring the aggregate up to no less than 12,000 miles. And there is no sign of slackening; proposals affecting the opening of nearly 6,000 miles of additional routes are already engaging the active attention of Imperial Airways experts.

Figures quoted by Sir Eric Geddes about the expansion of British air lines show vividly how quickly the network is growing. In 1924, when Imperial Airways was founded, the company operated air planes over 1,760 miles of regular routes. In 1928-29 the total was still only 2,100 miles, but thereafter the advance has been rapid, even spectacular. In the following year the total leapt up to 6,400 miles.

This year the opening of the line to Central Africa has added another 2,400 miles, and the imminent extension to Capetown will soon bring the aggregate up to no less than 12,000 miles. And there is no sign of slackening; proposals affecting the opening of nearly 6,000 miles of additional routes are already engaging the active attention of Imperial Airways experts.

BLAMED FOR
GROUNDINGWreck Commissioner Sus-
pends Captain Mabbs' Certificate

OTTAWA, Nov. 5 (CP).—Captain Edward Mabbs, master of the steamer Prince David, of Vancouver, was found solely to blame for the stranding of his vessel near Point Wilson, Washington, on July 3 last, and his certificate was suspended three months from that date, by the verdict of the Dominion Wreck Commissioners' Court, made public today.

The master was blamed for not making due allowance for the ebb tide, failing to reduce his speed when fog set in and failing to make use of the sounding devices with which the vessel was equipped.

The inquiry was held in Vancouver under the chairmanship of Captain John D. MacPherson, deputy to the Dominion Wreck Commissioner. The Prince David floated off the same day and was not seriously damaged.

In another decision handed down by Captain MacPherson, the crew of the Canadian National steamship Prince Rupert, which submerged at her dock at Esquimalt on March 6, 1931, were exonerated of any responsibility for the mishap.

The German freighter Siasfurt sailed at 3 o'clock this afternoon for Europe via Tacoma and ports after loading 3,500 tons of grain and general cargo.

Pacific Steamship Company's Ss. Admiral Wiley is in port with California cargo. She will load 400 tons outward.

Ms. Svendrot arrived overnight and is at anchor in the stream for inspection of damage sustained when she collided early this week with an American ship. The vessels were proceeding slowly in thick fog 100 miles north of San Francisco, when they touched. Each proceeded on her course.

Danish East Asiatic Ss. Amerika sailed this evening for Europe via ports, with passengers, grain, flour, spelter and fish from Vancouver. The ship has an unusually large consignment of 700 tons of flour for Copenhagen.

Two Donaldson Line vessels will make Vancouver this week, and one will wait for seven days to adjust the Pacific Coast schedule. Ms. Modavia, now at New Westminster, left here on Monday. She sailed today for the United Kingdom after loading 3,400 tons of grain and general cargo.

Consignment of 20,000 broom handles for the housewives of Liverpool and district.

Ms. Bronnory arrived on Tuesday to Canadian Transport Company, Limited, to load full with grain for the Orient.

Big Guns Will
Start Practice
Work Tomorrow

COMMENCING tomorrow and continuing until November 16, gun practice will be carried out from the Esquimalt defences between the hours of 2 o'clock and 5 o'clock in the afternoon, according to an announcement made yesterday by Capt. H. M. Reynolds, R.C.A. The range will be 10,000 yards and the arc of fire will be between William Head and Trial Island.

PILOT WILL
TAKE CHANCEGoing After Government
Telegraph Operator Lying
Ill in North Country

PRINCE RUPERT, Nov. 5 (CP).—Robert Quinn, telegraph operator of the Government telegraph station at Echo Lake, 100 miles north of Telegraph Creek, is reported to be critically ill. As this is the between season, it is impossible to send relief either by dog train or pack horse.

Pilot Murphy, Prince Rupert, of the Northern British Columbia Airways, is preparing to take off as soon as weather reports from the North are favorable. Late reports state there have been heavy snowstorms.

Murphy is not familiar with the Echo Lake country, which is very rugged, but says he will "take a chance." He says he plans to land on the larger of two lakes and wait for Quinn, an elderly man, to be packed in from Echo Lake (itself a half mile across and the other lake is eight miles distant).

THE DIFFERENCE Cousin Kate from the country was spending a short holiday with her married cousin in London.

"Out in the country we just treat the maids and other help like members of the family," said the country girl.

Her cousin looked surprised.

"Really!" she said. "Here in London we have to treat all the servants with great respect."

Better Working Conditions Sought
For Stevedores

OTTAWA, Nov. 5 (CP).—A set of new regulations governing the working conditions of those employed loading and unloading vessels in Vancouver harbor, designed to provide greater safety for the stevedores, has been presented for approval of the Minister of Marine by J. B. Thompson, chairman of the Vancouver Harbor Commission. Mr. Thompson was in Ottawa yesterday.

The question of the competency of the Vancouver Harbor Commission to enact and enforce these regulations is being studied by the Department of Marine, and a decision will be made shortly. While the stevedores are in favor of the adoption of the regulations proposed, it is understood that the British Columbia Shipping Federation, the organization of the British Columbia ship owners and agents, does not wholly approve.

EXHAUSTED
MEN FOUNDFacing Death, Solemn Com-
pact Was Made—Will
Be Carried Out

NEW YORK, Nov. 5 (AP).—A solemn compact, sealed between two thirst-tortured men in a seventeen-foot boat on the open Atlantic was in force today. The task of carrying out its terms rested upon the emaciated shoulders of David Warshawer, for it came into effect when his brother-in-law and companion during nine days of hardship, died yesterday from the effects of the ordeal.

While they faced death with little hope for rescue, Warshawer, who is the father of one son, and Irving Tuchner, who left two small boys, agreed that if one of them was saved he would care for both families. Their wives are sisters.

Tuchner was unconscious when the men were picked up by the coastguard cutter Cuyahoga, Tuesday. He died of damp gangrene, exposure and shock after recovering consciousness long enough to recognize his wife and children. Warshawer is in a serious condition with symptoms of the gangrene which results from long exposure to salt water, but physicians believe he will recover.

The two men were swept to sea on October 26 when they attempted to run their outboard motorboat from Rockaway Beach to Sheepshead Bay. Their fuel gave out in the face of an ebb tide and a stiff off-shore wind. The Cuyahoga picked them up forty miles south of Montauk Point at the eastern end of Long Island.

NEGOTIATIONS FOR
ST. LAWRENCE RIVER
WATERWAY HELD UP

WASHINGTON, Nov. 5 (AP).—Negotiation of a treaty with Canada for a St. Lawrence River seaway was said today, by Secretary of State Henry L. Stimson, to have been delayed through failure of the Canadian Minister thus far to present a programme setting forth his country's desires.

The Secretary said the negotiations have not been abandoned, despite the delay. The Government is ready to go ahead with them at any time, Stimson added.

Good-class sheep were sold for \$1.20 each at the recent sale at Ashby-de-la-Zouch, England. He spent several days fishing and house. At the end of the week he presented his landlady with enough bill included the item: "Lard (for fish to supply the whole boarding (frying fish)—1s 6d"

At time passes, some words in our language go up in the world, so to speak, while others go down. And there is no better example of how a word can degenerate from its original significance, than the story of the word villain, whose common connotation today is a scoundrel. Originally, a villain was merely a farm laborer. We have it from the Latin villanus, "a slave attached to a country place," which goes back to "villa," a farmhouse. When the term came into our language it took its place as the name of a certain occupation or station in life—that of the farm laborer. From the fact that this was looked down upon by the gentry, it acquired the flavor of disparagement, until finally it came to be used for a "low fellow," not only as regards station but particularly with reference to character and conduct, as our "villain" today. TRAINING CLASS IS CONCLUDED

Course in Church Leadership at Memorial Hall Outstanding Success

Two hundred teachers and leaders from Anglican, Baptist, Lutheran, Presbyterian and United Churches and the City Temple, meeting under the auspices of the Religious Educational Council of Greater Victoria, have just completed the most successful training school that has been held in Victoria, or for that matter, in British Columbia.

The opening lecture, delivered to the whole school, was by the Right Rev. C. D. Schofield, Bishop of Columbia, and the closing address the last night was given by Ira Dilworth, principal of the Victoria High School.

MANY DEPARTMENTS

The classes met for two hours a night for six nights in the Memorial Hall of Christ Church Cathedral. An especially large class greeted Principal J. G. Brown, of Union Theological College of Vancouver, who led a series on the message and programme of the Christian religion. Other departments and their leaders were: Home Religion, by Deaconess Margaret Robinson; Beginners and Primary, Mrs. J. H. McRae, Vancouver; Junior, Mrs. W. W. McGill; Teen-Age Girls, Miss Anne Fountain, girls' secretary of the R.E.C. of British Columbia; Boys' Work, Rev. J. H. A. Warr and Rev. E. R. McLean, United Church field secretary.

A feature of the school was the splendid exhibit of books and literature from the R.E.C. supply depot and the Cathedral library, under the supervision of John Simpson, of St. Andrew's Presbyterian.

SERVICES CONDUCTED

Worship services were conducted each night. Those taking part were: Rev. E. W. P. Carter, of Christ Church Cathedral; Rev. H. P. S. Lestrade, St. Andrew's Presbyterian; Rev. G. A. Reynolds, First Baptist; Rev. W. A. Guy, Oak Bay of Toronto, general secretary of the Student Christian Movement of Canada.

The school was begun by Rev. E. R. McLean about ten years ago with an enrolment of fifteen, and has grown steadily. On the closing night votes of thanks were passed to the Dean and officers of the Cathedral for the use of the Memorial Hall, and appreciation was voted by the students and others of the fine promotion work which had been done by the present executive and particularly by the president. The officers are: President, Rev. Bruce G. Gray; vice-president, Rev. E. W. P. Carter; secretary, Mrs. M. C. Wilkinson; treasurer, John Simpson; assistant secretary, Miss M. Rodger; members, Mrs. T. Hammond and Rev. M. S. Richardson; registrars, Miss M. Chow and Miss B. Shaw.

MESSAGES RECEIVED

At the closing session, at which Rev. Bruce Gray presided, greetings

were received from Rev. A. R. Morris and Rev. F. A. Ramsay, who were formerly connected with the local council.

Unanimous endorsement was given to a resolution presented by Mrs. M. C. Wilkinson, secretary of the local council, appreciating the services rendered by Rev. E. R. McLean and Miss Anne Fountain, provincial secretaries. Dr. J. G. Brown voiced the appreciation on behalf of the teaching staff to members of the school for fellowship and co-operation.

IRA DILWORTH SPEAKS

In a very able and impressive address, Ira Dilworth stressed the need for personality in teaching. "All methods and materials are successful only in so far as they lead those whom we teach into a fuller appreciation of Christian Gospel and more effective channels of Kingdom service."

A very successful social programme was directed by the convener, Mrs. W. F. Freeman, and her associates.

HIGH HONORS FOR LAND OF HEATHER

Scottish Ploughman Wins Provincial Match With Scottish Plough at Chilliwack

CHILLIWACK, Nov. 5.—It took a man from Aberdeen and a plough of Scottish steel to win first honors in the "high-cut" class at the provincial ploughing match at Chilliwack Wednesday. The man was Jock Kellas, of Agassiz, hero of many a ploughing match as a youth in Scotland and as a young man in British Columbia. The canny Scot planned well ahead for the Chilliwack match. He sent to Aberdeen for an ancient plough which he once used to turn the sods of his beloved homeland. The sturdy, well-balanced implement, classed as "settlers' effects," enjoyed reduced rates on boat and train. It reached Agassiz a few weeks ago.

More than fifty ploughmen competed in the ten events of the day. They left some twenty acres of work so well done that judges had difficulty in many instances in selecting winners. Ploughmen were present from all points in the Fraser Valley and Vancouver Island.

TROOPS ORDERED TO PROTECT WRITERS IN "REIGN OF TERROR"

FRANKFORT, Ky., Nov. 5.—A detachment of state troops was ordered to Harlan County today, while a committee of writers, led by Theodore Dreiser, novelist, assembled at Pineville to organize before invading the rival fields to investigate what Dreiser calls a "reign of terror." Pineville is in Bell County, adjoining Harlan.

Governor E. D. Sampson ordered out the National Guardsmen last night, saying he was doing so "in order that there may be no doubt as to the safety of these visitors." Dreiser had telegraphed the Governor, saying he would hold the chief executive responsible for any harm that might come to members of his committee.
